Quote:

Jesus" is nothing more than a pseudo substitute for the true name YAHSH

"You should not use the name Ge-sus because the Ge means earth or soil
means swine or pig in Latin, so you are saying "earth pig".

"Jesus is a corrupted name derived from the Greek IESOUS. Ies, or iysh
while sus -soos means horse, so when you speak that name, you are refering to
man horse or man beast ."

"The name IESOUS or hey-soos means hey horse . Just look at this example
Ps.33:17, An horse (Heb. hey-soos/Grk. Iesus/ Eng. Jesus) is a vain horse
shall he deliver any by its great strength. "

Many in the Hebrew roots and sacred name circles have continually and firmly
sentiment outlined in the above statements. Some of the popular sacred name
reinforced the Jesus/zeus fallacy by supplying supposed scholarship to do
explanatory notes section of their translations.

It has been stated by some that the Name Jesus is a false Hellenic (Greek)
conspiratorially created by the early church, in an attempt to give glory to the
goddess Iaso while intentionally censoring the "true name" of Messiah which
Some have said, that since the Name of Jesus shares the same letter signature
of the Greek god zeus' name, that at the very least, it constitutes a pagan name
of Jesus.
