I watched Freddy vs Jason the other day

Then it made me realise, the more you fear this idea of the devil

The more it affects you, as in the Freddy films

If you fear the idea there is a Devil, it makes it real to you

If there is no fear, how can it affect you, saying that though look out for

As they do affect you and can lead you astray, yet there is no supreme f

As he made the world, Heaven and the universe and saw that it was Good

Not oops I missed a bit, man created the idea and continues it

The devil is just mans Ego, as I said before it came from Job

God asked in Job

Job 1:7 And Jehovah said to Satan, From where do you come? Then Satan said, From going to and fro in the earth, and from walking up and down in

Man walks on th earth, in the begining it was man who Disobeyed God.

The snake was doing what it does naturaly, eating rotten fruit of the floor

If we eat rotten fruit Especially pine apples, they make us drunk

Then we get an Ego, and worry about being naked, plus lie and fall down

I have seen sheol (hell) with my own eyes and I saw no such thing as De

All I saw was people saying it wasn't my fault, they let life beat them an

They refused to apologize and so stay down in sheol (hell)

It was packed down there and there is no rest!!

understanding and being oneness gets you into Heaven + following the co

written words of God.

Not what man later included ie Paul, John and Peter as this cause people commandment

Yeshua added 2 commandments which is what Heaven is Love and wisdom

So fulfilling the law

No fear, as fear is the mind killer

Peace and love Be with U all

One love

God bless you
