Hey, wiz!

No, not trying to be offensive. A muslim that I know who is very high up on information. I forget what you call one who leads his group, I will ask.

My postings were not to offend but to inform. As is your goal as I perceive different opinions and I guess as much as others' opinions, facts, though in spirit, I suppose mine shock yours and theirs. Sorry, but I cannot deny what the spirit speaks to me and tells me different (and I mean really speaks) I will have to cannot sit back and deny what Peter said, that Yeshua is christ the son of God.

No, I wasn't trying to start anything. (or finish) Just had to clear the air.

I understand the Hebrew meanings and downloaded from several sites to compare each. What I was trying to express was that some who translated, substituted and also in Yaweh the Y for a J. That is all. so why do we call God Jehovah?

I also know the cross is a symbol of God and Christ worldwide and also of Moses when God told Him to hold up the staff with the serpent on it to be bitten. It symbolized THE cross and the death of sin on the cross. The people complaining and God saw it as sin. Yeshua also said, "If I be lifted up I will draw all men unto me" paraphrased.

Never said there was more than one God. But God is more than a simple deity of the universe. Maybe one day we can talk about what I meant by the genie.

Igy issue.

Apparently being pagan is simply relative to the ones who say the word.... muslim, druid and any other religion thinks I am, yet, the bible says even if I am wrong, don't sweat it! I just simply ask God to help me even if I'm wrong, at least I get things right.

Wiz, I think you are precious and wonderful and I never meant to make this was an open forum in which we could state our beliefs. Sorry, I upset.
