On just meditating, realized that there are two independent parts of us...

The Infinite soul, which stores our experience, and learns wisdom from o

It can be in a state of pure consciousness, especially on recognizing the  
can be fully one with God/Brahman/Universal Mind (CPU).

It is connected by our heart, and thus regulates the whole energy within

The finite self, is the physical mind, it projects our ego as a defense me

Thus in an effort to defend its self, it can often become overly accusativ

The level of consciousness is lower in the finite psyche compared to the  
it is called the monkey mind, as it also controls our body, and raw anima

In Ho'oponoponowe we make friends with the inner child, which is the inf  
youthful, and thus in a state of sat chit ananda.

In someways the soul is connected via the heart; yet it is possibly in a p

Reason for questioning if everyone's soul is outside of time, depends on  
Oneness in a place of pure infinite consciousness....

In other words to recognize infinity within you, and accept the consequer
