So to define all demons within people, these are things that people are born with or pick up down here; not things that can be classified as their ego's defense mechanisms.

Things that prevent them from being within the Oneness of Heaven, as they're contemptible.

accuser (satan), slanderer (devil), poor me, aloof, intimidator, interrogator, adulterer, idolater, blasphemer, busybody, unable to meditate, snarky, haughty, scoffer...
