Having just reread the Quran, found that many of the problems we are seeing with Islam today, come from all of these fake wannabe Muslims.

4:150-151 Indeed, those who disbelieve in Allah and His messengers and wish to discriminate between Allah and His messengers and say, "We believe in some and disbelieve in others," and wish to adopt a way in between - Those are the disbelievers, truly. And We have prepared for the disbelievers a humiliating punishment.

So quite clearly and repeated multiple times throughout the Quran, Muslims are meant to be theologians of religions without distinction; not follow only one book, and then have the audacity to think that is what the Quran implies.

4:136 O you who have believed, believe in Allah and His Messenger and the Book that He sent down upon His Messenger and the Scripture which He sent down before. And whoever disbelieves in Allah, His angels, His books, His messengers, and the Last Day has certainly gone far astray.

What is worse is they're meant to be 'following' Yeshua's teachings, and instead go around claiming it is all corrupt, as they even argue against the Quran saying he didn't die, wasn't crucified, and resurrected...

With many of these fake Muddlims virtually turning many of the prophets into liars, so they can win their own silly argument, against what the Quran and prophets stated has happened.

*3:55 And when Allah said: O Isa, I am going to cause you to die and cause you to ascend unto Me and purify you of those who disbelieve and make those who **follow you** above those who disbelieve to the day of resurrection; then to Me shall be your return, so I will decide between you concerning that in which you differed.*

Many of these fakes make an excuse, "we believe in the prophets"; yet the Quran already warned them, they'd be tested, so they should have already studied the books, not just make false claims.

29:2-3 Do the people think that they will be left to say, "We believe" and they will not be tried? But We have certainly tried those before them, and Allah will surely make evident those who are truthful, and He will surely make evident the liars.

Would love to meet Muslims who've studied many religions, who accept Yeshua's teachings and follow them; not just claim they're a Muddlim, and think that is sufficient to enter paradise. :innocent:
