1: They did not fulfill Isaiah 53:1 which links with Isaiah 28:9-19 (rumor to rumor), and the 'arm of the lord' in Isaiah 52:10 (Yeshuat Eloeinhu) + Psalms 98:2: They were seen as a majestic nation, which was desired by many; they still are presented as a chosen people, which is desired by many.3: They are not in a depressed state, and not disliked by people; that is a self loathing statement, people like the Jews.4: They have not carried anyone's suffering or sins; they have been cursed, yet not that anyone acknowledges that, and sees them as accursed.5: They have not been pierced for anyone's sins, they've not been crushed/put to death/tortured as a sin offering for anyone else.6: They have not had everyone's sins put on them; tho they might have helped confuse all the sheep, yet they're not directly responsible.7: They have not been silent as they were slaughtered, neither was it done in the form of a sin offering.8: The disobedience of the 'people' is the Hebrew people; yet then they can't be the person who is cut off from the land of the living for their sins.9: They were not put to death with the wicked or rich, and are clearly not free of violence or deceit.10: They were put to death for part of the plan, yet not as a sin offering.11: They haven't carried anyone's sins, their knowledge has not lead many to righteousness, neither have they arrived at the light from their actions of being put to death.12: They haven't got an inheritance to share with the strong, they've not continued teaching the things of God until death, and then acted as an intercessor for people's sins.
