Yasna 16:3. And we worship the former religions of the world devoted to Righteousness which were instituted at the creation, the holy religions of the Creator Ahura Mazda (Lord of Wisdom), the resplendent and glorious. And we worship Vohu Manah (the Good Mind), and Asha Vahishta (who is Righteousness the Best), and Khshathra-vairya, (the divine Kingdom to be desired), and the good and bountiful Armaiti (true piety in the believers), and Haurvatat and Ameretat (our Weal and Immortality).
