So for example: At 5-6 years old knew Yeshua didn't say "I Am"; it is warned by him to be the deception in Greek in Luke 21:8, Mark 13:5-6, Matthew 24:4-5...

Thus the Gospel of John is clearly fabricated, as it repeatedly uses poor grammatical "I Am" statements to imply he was claiming to be God, when he didn't speak this way in the Synoptic Gospels.
