So we can understand here is [down near Hell](#), and people are evil in many ways, without them consciously seeing their own wickedness (Zechariah 5)...

We can understand that Yeshua set a Snare in the Bed of Adultery (Isaiah 28:9-21), and placed the Curse (Deuteronomy 28, Leviticus 26) on the world until his return...

Where then the Holy Fire will remove the Rephaim (demons) and Nephilim (fallen ones) from this reality (Isaiah 17:4-6)...

Thus this explains why regardless of what the Messiah says, no one will accept him (Luke 17:25) until after the land is cleansed (Luke 17:30).
