An intoxicant, intoxicates in some way; in other words it poisons us to ca

To have balanced cannabinoids, we require a full range of omega oils for

Cannabis is deemed Holy according to my understanding of the religious something illegal, that should be legal, is part of the problem with spirit

We have a malnutrition crisis, which hemp could easily fix, and mankind people need to chill...

Hemp would also solve the oil problem, and was the original fuel Henry F on.

As saying cannabis isn't an intoxicant, and is a sacred food, herb, & me majority of religions...

We've been lied to, like how can 3 major religions lose the ID of a plant? Haoma (Zoroastrian) Soma (Hindu).

It is Anti-Christ's teachings by the way, as a Christ means an anointed o world has been caused by the Egocentric Shadow of Mankind's "I Am" Co

Cannabis is a teacher plant that connects us to part of our soul, so we c

Cannabis as a holy plant is essential for mind regulation, there are cann where else, and without them we're nervously hardwired to react badly to

So to not eat a food designed for the human body, automatically leads to

Literally seen the affects on a close friend recently, who'd previously st not found the inner balance; grew a few plants, and is now closer.

It is like having a car, and not putting fuel into it, it won't go anywhere.

Yet the road is the path of the Shaman, and if you know of the Bon religi Tibet, where the Temple of Shiva resides Mt Kailash - with the son of Sh

Then Buddhism used to have a much more wider comprehension of consci sacred medicines.

To be clear, I'm not saying anyone should just go taking anything without yet let's stop calling the foundations of our religions drugs, whilst taking (Pharmakia means witchcraft).

In terms of clouding the mind, all we have to do is drink tap water in the

So speaking about something that helps neural re-genesis, thus increase problem, and the people brainwashing us to believe such things, feed us
