Many texts around the world suggest the reason the Final Battle will happen, is because the Rabbinic Jews are going opposite; yet when we look at what Judaism follows, and what they expect do they actually realize this or are they just arguing against the rest?

Summary of Events

Lets start with Moses who said that future generations of our people would reject his Curse, and face the opposite direction as they're argumentative, and didn't listen to him either (Deuteronomy 31:24-29).

With careful analysis we can show that what was prophesied is David will come as Yehoshua/Yeshua (Psalms 89:19-21 = Isaiah 52:13-14), he will be murdered by Judah (Psalms 22:12-18 = Isaiah 53) divorcing them (Zechariah 11), and placing the Curse of Moses on our people (Deuteronomy 28).

After the Curse is placed at the 2nd Temple Destruction (Zechariah 11), the self appointed Shepherds (Rabbinic Judaism) put themselves over the flock until the Messiah comes (Zechariah 11:15-17, Ezekiel 34); these Blinded Guides (Zechariah 12:4 = Deuteronomy 28:28-29) have taught our people to Wax Fat, to have become deafened to the prophets explanations of Yeshua ([H3444](#) - Deuteronomy 32:15).

The Quran then confirms that they've rejected their Messiah, David and Yeshua (5:78), and the Curse was placed on them for their rejection of it (5:13).

Where instead of the Jews as a whole teaching the Gentiles about the Curse (Deuteronomy 28); the Pharisees ([John](#), [Paul](#), and [Simon](#)) have overwritten it, instead teaching the Gentiles that they have Grace by the Death of the Corner Stone.

Now the problem with all of this according to the books is Armageddon is happening because of this argument, where Judah will cause an affray in Zechariah 12:6; the Quran is blaming the Jews for purposely misrepresenting prophecy, and causing this, yet I'm wondering do the Jews even realize they've misunderstood it?

5.64 And the Jews say: The hand of Allah is tied up! Their hands shall be shackled and they shall be cursed for what they say. Nay, both His hands are spread out, He expends as He pleases; and what has been revealed to you from your Lord will certainly make many of them increase in inordinacy and unbelief; and We have put enmity and hatred among them till the day of resurrection; whenever they kindle a fire for war Allah puts it out, and they strive to make mischief in the land; and Allah does not love the mischief-makers.

The Fire that comes in Deuteronomy 29:19-27, Isaiah 34, Quran 39:69, 21:39-40 is an aura of Holiness; where only those unconditionally loving, and wise enough can stand in the Source's presence...

Which means this argument is ridiculous, most of the religious tribes arguing their book is better than the rest, don't read that they're all saying their destruction happens because of a big war over misunderstandings.

It is like two children Ishmael and Isaac fighting over a Coat of Many Colours; when the Source could give everyone a Coat, if they didn't try to kill each other over who is right.
