After coming into religious environments where people are separated like other like animals; I already removed all labels from our own system, and understanding of Oneness.

Yet even Oneness people argue with us about, due to misunderstandings humans fight what they don't understand.

Hasn't humanity evolved past labels to concepts, and topics or are people that they now see gang mentality as something that the Source of reality the exact opposite, and here is down near the lowest dimension.

After years of religious people arguing against their own texts, I now see type of cult mentality, and all faction based religious people as illogical who studies all religion shows they are worthy of the Age to Come, every Judgement Day according to the texts globally.

Since we can show religious people are willing to keep their labels to the murdering people, following things immoral as it is all in the same book; religious texts prophesied the removal of breakaway religious factions in

Atheism, Agnosticism, etc, are still labels that still detriment progress in things like Source & consciousness are very hard to label, as they are ev

Thus enlightenment has no labels; no religious author said "Hey, here is into Heaven for free".

Enlightenment can only come from dynamic lateral thinking, linear pathw new growth; thus by definition every religious sect label, creates a dumb

So why do people wear labels, and isn't it about time to give them up for to be one family religiously in this world?

For those who want peace in the world, isn't it logical to remove our reli all One; for those who don't, the Source of reality will soon remove dete religious people at a quantum level, when the Fire comes from Betelgeus texts globally as One.
