For those who don't know the [new name of Christ](#) is my name Zanda, which is really clear when you realize it is the First (A) And the Last (Z).

I've known since birth I'm sent before the Great Tribulation, before 3 years old, I had a couple of dreams of it taking place in my lifetime...

At the Age of 5-6 years old I knew Yeshua had not gone around making "I Am" statements, and the world had been deceived by this in [the false Gospel of John](#), as he prophesied (Mark 13:5-6, Matthew 24:4-5, Luke 21:8).

At 15 years old the Source of reality asked me to read the world's religions, and build a place for peace.

At 25 I built this website because of being instructed to do...

The idea people do not know Christ was called Zan, is your modern religious scholars fault, it is stated by the Church fathers:

*The Cretans have a tomb of Jupiter, with this inscription. "Here lieth Zan, whom they call Jove."* - [Nicene and Post-Nicene Fathers, Vol. XIII](#)

Thus what is the Sign, it is Christ explaining religion before the Apocalypse (Revelation 3:18-22, Quran 43:60-77, etc).
