Christianity and Islam have both been dramatically deceived on purpose.

J+seis is a swear word in Ancient Hebrew meaning 'a beast that shall tear a man' (Matthew 7:6).

Christ had cannabis holy anointing oil, and psychedelic shewbread, the same as Zoroastrian, and Dharmic religions also had, he banned alcohol, and they banned meat and drinking, yet he warns that wisdom is justified by her children.

Our whole world has been deliberately lied to, and we all need to wake up before we are left before our own annihilation, where we cause Armageddon between us.

God did not send Christ to die for sin (Isaiah 52:10-53:12); yet to cut off the head of the serpent against the Messiah (Zechariah 11).

The Messiah was clearly prophesied as an Elohim, which means a Divine Being, a Source of reality, and is not a name.

People have got confused by language since Babylon, and Isaiah 46:9 was corrected to show we should look back to the ancient theology in Deuteronomy 32:7-9, where Elohim (Divine Beings) are mentioned.

The scriptures when translated properly reference Yahavah (Lord of Creation) and the Divine Council, which the Quran also referenced exists (38:69, 37:170). The Quran corrected the teaching globally about it.

That there is One Source to reality, and then a Divine Council of 24 Elders who interact with mankind, where the Messiah is the 25th.

Yeshua according to prophecy was an Elohim, not only a mortal, else the promise made in the Bible is we can all be immortal, if we actually survive properly.
