In Luke 18:1-8 it explains how the Messiah returns at the Midnight Hour, of the Wise and Foolish Virgins (Matthew 25:1-13) before Armageddon happens.

In Revelation 16:15, Revelation 3:3 it warns the Messiah is back secretly (Sananda), which is also the name of the Father (Zan), the New Jerusalem, the Archangel who acts as a Pillar in the Temple of God (Sandalphon).

In Revelation 3:9-12 it warns that the Messiah will argue with the Synagogue of Accusers) in the sky, on clouds and lightning before Judgement Day (Luke 17:34-37).

When I was 15 God showed me how the Great Tribulation will occur, and how it will affect mankind in a day... I was told to read the world's religions, which I did at the age of 21 I fulfilled Revelation 5 & 10 three years before reading the book for 15 years.

7th Beggar is in denial of religious prophecy globally, and simply laughs because he will suffer from his lack of action.

In my understanding of events from what I've been told directly by God, and from the Bible; when the Great Battle happens in the Middle East between Israel and the Muslims, a fire comes from the sky, which cleanses earth restoring it to Eden in a day, and the ungodly.

The events from my understanding of prophecy are not optional, people's lives are at stake, and prophecy was, and 7th has currently chosen to spiritually murder many.

Just so everyone is clear: the Christians are diametrically opposed to Christ, and I set them up; the Muslims were meant to study the world's religions, and have become Muhammadans. Baha'is are following lots of faulty Christian prophecies, Snare & Bed of Adultery (Isaiah 8:11-22 & Isaiah 28:9-19+20-21).

The guest-list for the Messianic Age is for those who strive for the things that are already accounted worthy; yet most will now never know that Judgement Day is near, as 7th has rejected Jewish Messianic expectations of prophecy.
