The world has already been deceived by the anti-Christ's teachings, which are three; unless everyone helps fix the corruptions.

The Gospel of John was purposely made up to corrupt the teachings of the Synoptic Gospels. Yeshua warns that those that come after claiming to be his disciples use his statements to deceive many (Mark 13:5-6, Matthew 24:4-5, Luke 21:8). We can show if we examine the Bible with software like Esword, where we can find a reference number, that Yeshua didn't go around making "I Am" statements about himself in the Synoptic Gospels, and appointed it to God. In the Gospel of John, he parables, when Yeshua spoke mainly in parables, with a totally different phrasing. There are well over 30 points where the Gospel of John contradicts the Synoptic Gospels.

Much of Christianity is built on Paul's ideas, where Paul contradicts most of the teachings of Yeshua forward. Many award winning theologians have noticed that Paul contradicted the original Christianity being established by Yeshua, this hasn't been commonly taught. Yet if we examine the Church history, we can show that the original followers were the Ebionites; where James the Just head of the Church of Jerusalem, led the church against Pauline Christianity. Because the Ebionites all gave up wealth, as mentioned in which we find at the start of Acts, this became a problem to the Roman authorities. The Pharisees made up Christianity to make them go back to work.

Simon who Yeshua called Petros, which means a Pebble that can trip us up, was used to deceive people, and there is Midrash showing that Simon left the followers of Yeshua to Paul to create Christianity in Antioch. In the Parable of the Seed Sower, the Good Ground is plural of Petros, Petrodes. It is in prophecy in Zechariah 3:9 that there will be a stone, that shall spread iniquity throughout the land, which shall be the seed of the woman.

Now as the return of Christ here before Armageddon, I'd rather people study the scriptures for contradictions, and through education it could lead humanity into an Age of Enlightenment where people addressed these contexts, and remove the hypocrisies that exist in the world.

The Quran tried to rectify this situation, teaching that the Jews had edited the Messiah's message. For us not to have world war three, we need to recognize that the Bible was edited by the Pharisees; yet modern Rabbinic Judaism no longer recognizes the original purpose in the past, creating Christianity, which has always been contradictory to Yeshua's teachings.

One of the most fundamental points is that Yeshua challenged the Sanhedrin's teaching that the murdering of the prophets counted as atoning sacrifices in Matthew 23:29-31.

Parable of the Wicked Husbandman (Matthew 21:33-46, Mark 12:1-12, Luke 20:9-16) teaches that the Pharisees will not inherit the inheritance from his death, when they don't, they will be condemned for not wanting to pay God.

When these false texts are removed, it is possible for Judaism to accept the Messiah, which was fulfilled by Yeshua; where the Curse of Moses (Deuteronomy 28) was placed on them for their rejection (Zechariah 11). The next part in prophecy (Deuteronomy 29) is that the land will be desolate, which will annihilate the whole human race, and after God will resurrect the land and remove these corruptions.

Thus basically I'm asking anyone who claims to be interested in the fate of the world in this context, to help fix the corruptions; otherwise in Deuteronomy 30 God will curse the rest shall no longer exist.
