As a child I was told advanced details of where the Bible had become corrupted, and how many have already been deceived. Many wait for the false Messiah to come; yet the deception has already happened.

My name Zanda is within many religious connotations globally as one, as a messenger sent by God before Armageddon. I'd like that 'gathering all nations for the correction of doctrine, where scripture becomes the fire that ignites questions (Isaiah 23:29), and understanding where mankind can deceive its self.

I understand from prophecy how in Psalms 89:19-21 King David was prophesied to return, and that in Isaiah 52:10-14 it is paraphrasing the Psalm. There is an addition 'I anointed' in the Dead Sea Scrolls version (1QIsaa) of Isaiah 52:14, which is 'I anointed' as we find in Psalms 89:20.

Yeshua is the word salvation in Hebrew that did mighty things, and I believe I can show that the Song of Moses, is that the Lord will become our salvation. What I understand of contexts is that Yeshua Ben Joseph came as the Son of Man, a return of King David, to fulfil the aspects of High Priest to our people, as well as by Christianity being made up after. Where the Gospel of John was fabricated, there is Midrash showing that Simon petros (stumbling stone), and Paul of Tarsus, for his purpose, going contrary to the Ebionites.

In Jeremiah 23:6 where David returns to be the Messiah, the Lord 'our Righteousness' purposely an anagram of our name, to show global prophetic fulfilment. Within understanding the name references, Zion was the place of David, Elohim is translated as Divine Beings, the prophecies in Psalms 146:10, 52:7 have the name of the Messiah as 'Your Divine Being Zion'... Where are the references to 'out of Zion shall go my Law' (Isaiah 2:3), 'that I've chosen you' (Psalms 132:13-14), etc, that is symbolism uniting the concepts of the Messiah as shepherd over the flock of Israel.

This is a start to some of the things I'd like to discuss with the religious community, does it make sense to you?

Basically I believe we can prove I'm a return of King David, then Yeshua as the Messiah on prophecy globally as one.
