Hi Wizanda, its Dude here. I am glad to see your heart broken over so much darkness. That is a good sign. In Ezekial 9:1-6 it tells us about God sending me to go thru the church and mark all those sighing and crying for the abomination gets done, he reports back to God. God then sends death spirits to the church and every child, and God says to start with the oldest first - but not to kill those sighing and crying.. So you are on the right tract. Still doesnt help tho, there is so much darkness, when there is so much light to be had...peace

The ascension? Two are in the field, one is taken and one is left.. I am not able to accept a higher consciousness. I feel it has other requirements and I am not. I do not have robots. Many who are taken, is because they are good people who follow the rule, of doing unto others, as you want to be done by. Heaven and eternal life is based on our willingness to love one another, even our enemys. We are the only church that would give a drink of water to our enemy, because Jesus taught us that.

Those who are picked to go to ascension, its because of character. Character is not in consciousness, but not be of good character. I know of satanists who can levitate, dematerialize and re-materialize on the other side of earth, they have spirit bodys; but their characters are so demented, they will never be given the chance to cross over. Its really about character, and not abilitys of consciousness. There will be many who have never heard of me, who will make it to eternal life. Its about good people. And its as simple as that. Its about character, who are we, and how nice and good to others? Things like that, is what determines ascension. I already know these things Wizanda. But maybe someone else didnt know,
