Perceptions...assumptions...the mind jumping in so fast, engaged in thou
time to be fully digested and brought to the heart. Ponderings, musings,
need airing out. Appreciation for sharing and dharma openly exchanged.

Does one really know ultimate truth or is life a journey toward this disco
with discordant thinking? If one holds to the box in which he or she arriv
from within its walls to consider other possibilities will the box begin to
cause emotions to stir? Wouldn't it be better to allow the walls of the bo
embrace each other in dialogue that is directed toward unity?

Thank you for enlarging my box this day...I will ponder your thoughts lov
