What's the point in having breaks and then reverse if you don't use it.

Quote:

When a car gets in front of you, first be patient, second press your horn;
as you will damage your car in the process.

Quote:

Make sure the car is serviced regularly!

Quote:

The passenger is more important then the car.

Quote:

If emergency lights flash it means something is wrong, fix the problem by
the wire to the light, so it doesn't flash, yet the problem remains.

Quote:

Keep your car clean, so you can see where you are going.

Quote:

Stick in oil and water to keep the car running properly.

Quote:

There is no point adding tons of things to the outside and polishing it all
