Keywords: Quotes, Enlightenment, Oneness, Unconditional Love, Wisdom

Summary: Here is our quotes over the years in one place; feel free to sh

Listening to condescend, not to comprehend.

Few go the extra mile - most go equal or opposite because they feel push reiteration the message becomes more convoluted.

When we want to move forward, first make sure we're heading in the righ

Boundaries that nurture our higher nature shape harmonious music within fosters dependence, while hardship strengthens resilient roots.

Listening to another's perspective first, then creates room for our own.

Often we can't fix a moron, yet we can repair the system that allows it.

By the nature of life, we consume, and along comes crap.

Washing doesn't do its self.

Ripe Fruit entices us.

Turn feeling sorry for ourself into motivation.

Sometimes having the mistakes, helps us bring it together.

It's the dream of having the desire, that keeps it alive.

Stop counting what we haven't got, as then we'll feel like we're missing s capable of having, as then we feel our full potential.

Be Most Excellent to each other - as consciousness is music, and every r cacophony, rather than harmony.

We have to come to terms with something, before we can explain the term

Apathy is the start of pathetic.

The more times we've repeated we want a desire from different perspecti

when it's accomplished.

We're all seeking mathematical completion, as it makes us feel fulfilled.

Someone who is determined not to be taught is dangerous, as they are de
they don't understand.

If we can't write the script: Work out the key subtitles that need includin
gaps.

Check if we're capable of doing bigger tasks, as we will gain more rewar

The feminine becomes more ferocious when defending its own.

Put in enough that we prosper, not insufficient that we're impoverished.

An intention can trip us up later - clear the obstacles before moving on.

Immersing in a story stimulates the brain; observing a story can make us

Beings react to life's fertility.

Until we become an educator to everyone, we can be critical of the perso
misunderstanding.

Some thrive on contention, and some on resolution.

Quantify mistakes; don't dwell on what we can't change.

Choose to create internal groovy music first thing in the morning, as wha
affect our whole day.

Animals dance as they greet, as they know that emotions are contagious,
how we interact.

When a mutual adversary opposes, allies join forces against.

Don't blame arseholes for crapping on you - instead move out of the way

We should nurture the lower levels, and discipline the higher ones.

Fear is often a greater motivator than faith.

We fall in love with another's music, and when combined it can create an

Without having some system of moral social ethics (religion), most will k

Having something to complete, often drives investment.

Work out the optimum steps needed to reach the goal, then test which wa
eliminate steps first, and then come to the conclusion it can't reach.

Try to do more to restore someone's faith in humanity.

Some of the most uneducatable, are those who believe they're already ed

We have to be open to rational scepticism, and trustworthy foundation.

Rather have someone showing us how to climb, than someone claiming th
the ropes, yet doesn't actually help others ascend.

Boundaries we don't fear have repercussions become passable.

If we're not in the process of growing, then we're slowly dying.

Beauty can evolve out of crap.

Often things have to get far worse, before we realize we need to fix them

Rather than hope for what is round the corner, invest trust in what is sus
chasing what's next.

The more disorder, the further to sort; the more gets sorted, the easier i

We're motivated by the feeling of opportunity, and a sense of achievemen

Helping others up can teach us to be a winner, supporting a loser means
being subservient to losers can make us into one.

There isn't only a 1 on the dice, there's a 6 on the other side; there migh
there's always perspectives we might not see.

If we only use one perspective, we'll have a wonky house of cards.

The difference between a patrician/matrician and children (plebeians), is
responsibility for their own actions, yet for those around them.

We often try to choose the path of the least resistance, yet within the pr
the path of more adversity, makes us have to grow stronger.

What is the difference between yours, and ours? 'Y'

Do more whilst we've got the chance instead of less, as later the opportu
after it can become a regret for much longer.

If we manage one today, it's potentially possible we'll achieve two tomor

When we've completely chosen we want to do something, we can then enj

When their chosen leader is a clown, the performance by those involved,

Start with the smaller tasks that are achievable, so that the big goals ge

Knowing it's our duty, incentivize us to achieve.

We're in Charlie's Chocolate Factory, and some of the illegal flowery wal
we're in an advanced cartoon.

If we can't debate the polemic argument, we don't know both sides of a t
unbiasedly.

Everyone's mental health would be so much better, if we all stopped wan
because of who they are.

If you gave some people every clue, they'd still be clueless.

Be the dream that you wish to see.

We either stay with an obstacle in front of us or we get more efficient to

Catch up first, before taking extra weight, else both are delayed more in

If we're not warriors for righteousness down near Hell, we're most likely

Many seek justice, as they've felt injustice.

Joining waves in the same direction, amplify each other; a wave splashin
creates power in the opposite direction.

If we share an equation with those who can not understand the sum, we n
that won't be solved.

The jurisdiction that we put ourselves under, sets the ethical boundaries

When we leave things to the last minute, things can happen we didn't pla

In only seeking success we become complacent; whereas for every time w
to grow stronger.

Without any aim, it can seem a bit pointless.

Momentum is needed to lift easier, and lifting weight causes inertia.

That same energy used to calculate worrying, can be used for fixing thin

Wisdom is found in recognizing the contrast; thus if we didn't have the c
wisdom.

The difference between a dream & a nightmare, is when we deal with the
we control the situation.

In letting go of trying to be one, we allow the space to be nothingness.

If we ask someone to help, who is buckling under the weight, they can cr
the weight, then ask for help.

Ultrasonic frequency underwater creates Sonoluminescence; souls down r
their resonance create light.

We can only quantify a certain number of decisions at one time efficientl

Whilst still needing to compete with the children, we're still being childis

It is better to learn to swim in the shallows, and then move into the deep
understood how to float.

In the middle of the chaos, we can always compose harmonies within the

Repeating a name as soon as we hear it, helps us recall it later.

A strong connection to God, can make a loser feel like a winner.

We often get exploited trying to gain reward.

Blame mentality becomes habitual; repeatedly winning creates positive e

Victim mentality is contagious - so is winning.

It's relaxing when we're not having to be something, and instead can just

We can not truly assess how wise something is, until we fully understand

If we always go half a mile, it's harder when we try to do two.

The complex equations we seek to be fulfilled by others, come from the c

Chi requires flow to become initiated.

Dilemmas allow us opportunities for rectification.

Trying to reason with those who don't deal with the evidence, means the
self.

For everyone not meditating on their issues, is another part of the unive
left unresolved.

The system has to keep being optimized to be intuitive; yet people keep
thinking it fixes the problems.

Serving our desires only temporarily fulfils us; long term fulfilment is mo

Continual newness within the moment, leads to renewable contentment.

We get lax when in routine; so keep it original.

Creating momentum within, can help us be driven.

Learn to reflect with those interested in the same concepts, as then it in
with those bored at the concept, diminishes our energy invested.

The natural flow of things, causes us to relax.

Whilst competing with others, we can't all win together.

When someone always goes half a mile, going two doesn't always help in
rowing in two directions, gets us nowhere.

Cymatics shows that certain frequencies create perfect patterns, implyin
the right harmonies, it will resonate in a well structured way; whereas wh
harmony, the mechanisms within it will be imbalanced.

Finding the roots of the anger, and transducing it into something constru
punching the wall, and physically doubling the anger.

Rather than only seeking happiness in what is quickly attainable, working
sustainable is more fulfilling.

Realizing that everything wants treats, is a secret to finding success.

Larger than life characters don't fit into the preconditioned boxes, that c
provides.

The Source of reality doesn’t give us everything we want, yet wh
better beings; in learning to strive to survive, we learn to attain strategi

Time & space both exist inside a linear time frame, and have a sense of
dimensions beyond infinity, we start to exist as a part of cosmic music.

If we research other perspectives, we can test what are the clearest path

The object exists regardless of objections.

Captain Hook has been torturing the Children, to make here seem like it

Before claiming to be altruistic, first check if it's for selfish reasons or

Something that takes more time, generally has more sustainability.

Life is only meaningless without purpose.
When someone is driven by a goal, they are determined, and have faith i
accomplish; it can be depressing having no direction, and failing to achi

Imagine if we gave gold stars for learning to help others, rather than jus
compassionate society it could create.

The problem with presenting ourself in the best light, is we produce cont
presenting shadows, allows the space to be illuminated.

First focus our attention deeply within, before depleting it outwardly.

Try being sweet, before bitter, else it leaves a nasty taste.

Only when we reach the darkest places, do we look for the light.

Governments have used religions to make wars.

If we don't properly assess our steps, we can fall over them later; thus s
caused each step.

It's easier when we say, "We can do it."

We win when we have the same goal.

Don't resent adversity, grow from it.

Indoctrination isn't a belief, and isn't faith.

We're meant to learn to be ascending on the Highway to Hell.

Careful when going the extra mile, that we don't make others learn less.

Accusative forces thrive on us finding an enemy.

On the road to Babylon, the bumps can make love into live.

The flock loves those who've fed them, not the source of the food.

Many build upon the Pebbles, rather than the Rock; evangelizing death, c

Don't be so silent, that we're not honest.

How to expound on profound points, when we only keep to a script.

Before getting on with something, first make sure we're getting somewhe

God is not a being; it is everything.

Practise creates faith; knowing we can achieve, leads to confidence.

God wants all of us to learn to be unconditionally loving, and wise enoug

Having something doesn't provide the happiness, cherishing it does.

In the name of Christendom: the white skins killed the red skins, treated with the pale skins have caused war & famine.

Cannabis makes life's sensations vibrant.

Reading only one thing leads to confirmation bias; reading multiple leads perspectives.

True religion is meant to be about altruism, not martyrism.

Women know life can be a bloody mess, and still get on with it; it can ta and some have a hard time dealing with it.

Ultimately, find what makes the maths work.

Meditating on what causes something, helps us find ways to identify wha

Complacency comes from placating what's important.

If we don't want to be shallow, we need to go deeper.

We should always question any angle that is sharp, as it cuts for a reaso

If we've had to live a nightmare, we then try to live a dream, and if we'v
can then find the hardships more of a nightmare.

Alcohol leads to less balance; though it might make us feel high to begin
after, and long term abuse leaves us feeling down.

Exploring ideas feels fresh; returning to beliefs can be tedious.

We can't run from a gun; turn and stun, provides a better outcome.

Rather than compete with congestion, creating our own way, provides ple

Intimacy is relayed within.

Religion has helped create our cohesive moral social fabric; thus in fixin
our society to be more ethical.

Christ didn't come to die for sin; yet to catch out those who'd accept the

The 10 Commandments are the steps of Jacob's Ladder.

It isn't about believing a Gospel, it is about living it.

A Klang in German can imply the fundamental Sounds of the Universe... S
Klanger", could imply, 'Causing a Cacophony'.

Stop believing want to, & start understanding how to.

Often we're asked for a "Yes" or "No" answer; where that forces an opini
unsure..
Thus asking for a scale of "0-10" or "0-100%" is easier; as it then allows
much.

Aspiring to have something, can give life a sense of purpose.

Until we've truly decided where it is we're wanting to get to, we will pass
time to reach it.

When we've decided where we'd like to get to, we can create a route that

Cautiously take the path that the troll allows us to.

Not always "as easy as Pi"; when we don't find the center.

Recognizing why those who could trip us up later do so, subsequently me
obstacles overall.

Tensing tones; repetition shapes.

Before we can truly heal, we've got to deal with the root of the pain.

If we don't like being in our own environment, it affects our whole being;
& maintain the home we're within.

When we truly apologize, we allow a space (-1), for others to then give b
can be resolved.

Remember to give the Source of reality a hug, it will hug you back.

Educating ourself, makes us learn the lies are unreal.

By connecting to the Oneness within each of us, we can access infinite w
at its Source.

People have a tendency to keep adding new stuff to projects, and not en
revitalizations; where improving the system leads to longevity in a proje

School for me, was where we'd go to a comedy club to heckle the enterta
headmaster didn't have the same sense of humour.

Will power can be driven by logic; when we know something is illogical, v

Don't put all your issues out in one go, looking for quick solutions.
Learn to internally push through the traumas one by one, in deep meditat

Make everything in life an art.

Life is a beautiful adventure playground, with lots of obstacles to overco
scenery.

Perfection takes time, and timing takes perfection.

Unconditional-love is omnidirectional; whereas love is often a reflection.

Learn to alchemize negatives into positives, and create inner space from

When out of the mire, we can pull others out; yet whilst still in it, we ca

Christ taught repentance for the forgiveness of sin; the Pharisees taught
payment.

Internet Trolls say snide things to aggravate others; as they think there
intelligent answers win the audience, and people question the morality to

Taxing everyone to support the military-industrial complex is a waste.

Having things doesn't bring fulfilment, if we don't make the most of what

Become the inspiration we want to see.

Spending the time on what works best, is more efficient overall.

We need to keep fit, else gravity gets us down.

Building a sense of achievement, means setting goals, and fulfilling them

Every step can be a spiritual experience, when we consciously participat

To feel we're on the right path, our purpose has to match our destiny.

Be prepared like we're in the A-Team.

It isn't religion & politics that is the main problem, it is the cultism.

Building ourself up, elevates our situation; so then we can lift others up

The object of our desires has to start within.

When we go the extra mile, we get stronger in the process.

Learning not to fight the process; makes it we recognize the mistakes qu
experience more.

What are we here for? Too coexist!!

Many religiously minded people have this boolean way of thinking, where
false, & null'; whereas it is far more logical to recognize everything is q

In recognizing the opposites of evil, we can become wiser.

If we spent less time on how much we hate the other side, and more on h
we'd get more done.

When we assume something highly complex is simple, we can miss the ad
overlooking the authenticity.
It would be like trying to solve algebra with a hammer, and claiming it w
down.

We ask, "Why do the good die early?", because they've been released for

When trying to teach a megalomanic, they'll add it to their own status, to

Using adequate weights, means we train less, and gain more in return.

Reliable profit comes from maintaining a good product; not exploiting ev

need to recognize that sustainability, is seriously far more important, th
else.

People are self serving; thus to motivate them, all we have to do is prom
themselves.

The clues we're on a show, is the deliberate mistakes; where we won't se
back to look at the scene.

It's not always what we've got, yet how much we make of it.

The less we understand, the more we look for hope in solutions that don'

If we're always busy, we have no time for gardening; then the weeds can
cramped in our own mind.

Having a religion doesn't make people righteous, action does.

In finding the things we've lost, we can take stock in the things we have.

When we remove all boundaries in questioning all perspectives: where re
science & spirituality are all part of understanding, we are all just music

We become the role we've been playing.

Letting go helps; realizing it is all Maya, and therefore the Code doesn't
transforms.

We exist within a Oneness of Source Code; the Source exists beyond the
a state of 0neness.

Taking what is sacred, and profaning it, lowers societal values.

Our vitality is regulated by our hormones; where arousal comes from con

No one can steal our light, only temporarily dull it; as the more pain we
for the fire that lights within.

Sometimes it seems we have to learn our lessons the hard way, regardles

Learn to process one aspect of our contentions at a time, nurturing, & re
neglected within the experience.

Don't pray for a person to change, pray for Source to change them.

People would rather not look for their own inner demons, if they can blar

Stronger integrity allows us to bounce off each other, and lift up those w

The problem of making some alternate force to God, is that there is One
Nothing exists unless it's allowed to.

As two people's perspectives will be slightly different, truth is generally
perspectives justify the same, we view this as objective.

The need to be in love with someone, can distract us from being in love

If we share the load with someone, and they push more weight onto us by
concepts, it can make it heavier.

The stuff we put off, we still have to think about.

If we share our drive with those not motivated in the same direction, we

If someone is not all there, they can only meet you where they are at.

Trying to share logical equations, with someone illogical, leads to wonky

Getting up and having negative reinforcements can become habitual; we
make positive equations.

If the system is not organic, unless people care, the machine won't fix it

Placebo operations can heal us; thus beliefs can make us ill.

Zen is the Colours, between the lights in the rainbow.
Zen is the sounds, that captures the imagination of the listener.
Dao is the art easel, to hold the Zen.
Faith is the water, that flows from the Dao to paint the Zen.

Anything you fight, can make it stronger; ego is a self defence mechanis

If you use force to snap a twig (ego), it comes and hits you back.... If yo
twig, that the chi is weak, it naturally wants to snap for you.

Whereas the self desires recognition; 0neness lets go.

The Kingdom of Heaven is like a children's playground; not a morgue!

Find inner peace, like a pearl being bashed about by the ocean; learn to
peace within the eye of a storm.

We are, as Oneness is.

0neness isn't "I AM".

When you find the Bodhisattva within, you realize all have Nirvana (0nen
unawareness, that causes our misunderstandings.

When we finally let go, the answer is often there in front of us.

Part of being enlightened, is constantly removing the veils of delusion fr
thus it is in constantly seeking we free ourselves.

Try not to believe in anything; just let the evidence speak for its self.

If you unconditionally love your own; why is there a condition not to love
well?

Spirituality is about understanding ourselves within the Oneness of all.

Don't follow a religion, it is a way to keep people in groups; follow the S

The place where the religions are right, is Oneness being the ultimate go
commentary'.

Oneness is found in the center of all consciousness.

Oneness unifies; ego separates.

Learn to use negativity, as fuel for positivity.

We all have the same Oneness within us.

Oneness is ever prevailing; it is like the water that fills the oceans, Dha
(wisdom) resides within its core, unconditional love is its substance.

It is the many subtle colours each of us adds, that makes the light of On

Recognizing the Santana of our soul's melody, is a life time of progressi
within the Divine rhythms, it infinitely keeps evolving.

Heaven is the singularity (Oneness) in the center of all consciousness; th
physical reality. God is the CPU and heaven is the RAM; we are in the ha

Find inner peace of your own song in nature, away from the cacophony of
become an integrated part, in an out of tune symphony.

A diamond doesn't reflect (love), it refracts and produces rainbows; so o
reflections, can we become unconditionally loving.

0 x 1∞ = 1

We can push ourself up the hill, and become stronger or roll ourself into
ourself.

Freeing is not needing to be being.

The unifying of people is for peace; yet a religion of killing everyone wh
isn't for peace.

When people think that the Word of God is a book; then that misses the p

Only from the formless, can come all form.
Only from the selfless, can all selves dwell within it.
Only from the unmanifest, can come the manifest.
Only from an infinite perspective, can many finite perspectives exist with

Knowledge is found at the end of your nose, wisdom is found at the botto
much of man's knowledge, and you won't see your toes, as your nose gro

Until people feel acknowledged that they're being heard, don't expect the

If we don't recognize the contrast, we don't see the differences.

When we are not willing to look at all the perspectives, that often leads
without realizing we are.

Two tears in a bucket!!

If we cried for every rain drop's pain, eventually we'll drown.

It is often the ideas that excite us, more than the action.

Turn the reflection of attention inwardly, and listen to the Source at its

If rocks can become worshippers; salty people make great fertilizer.

Test logically what adds up; just because people agree, doesn't make it

Whilst our hands are full of pains from the past, it is harder to pick up o

Meditate, step back, & internally massage the shoulders.

People who believe the 'devil' has power, are often scaremongers.

Spend less time trying to make followers, and more on being something w

The diluted salts of suffering, can be used to encapsulate growth toward

Belief is from the mind, and faith comes from the trust within the heart.

Make sure the support is solid enough to hold the weight.

Enjoy the show whilst it lasts, as the symphony's music produces happin
the completion is short lived.

A strong reaction, causes an opposite reaction.

It is sometimes better to go within, than to go without.

The body is a spacesuit for the soul.

Learning to meditate, and deal with each issue; helps make more tactical
around without making sensible steps; wastes more time.

When does caution become fear; when does assumption become insincere

Bitching on a soapbox, isn't preaching righteousness.

Only when we don't focus outwardly, can we truly hear within.

The pain we've worked through, is then the strength to overcome tomorro

The more we divide our attention, the less attention we give.

Stop blaming others for being less than you are.

The river flows not to break its banks.
The tree produces fruit to spread its seed.
The sun blazes to use its fuel.
The flower radiates fragrance to be pollinated.
Thus learning to have something within to share, makes us a benefit for

Goals set drive; which sets faith.

No one else is going to get you fit.

If we bless or curse a karmic balance, we can affect the results.

Growth makes all beings feel more in themself.

Build on what is known within a case, before dismantling it until there is

Self worth comes from acceptance.

To master something we have to learn from the mistakes, and to begin th
make.

A feeling of completion generates a sense of fulfilment; a feeling of miss
emptiness.

People work best when inspired; pay doesn't make the soldier.

If you want someone to cope, then simple folks, like simple jokes; thus l
than a rope that chokes.

From traumas we often learn the deepest wisdoms... It takes knowing the

Disciplinary, not reactionary.

What is one being's waste, is another's wealth.
