Summary: THE VAST EXPANSE

I acknowledge the privilege of being alive in a human body at this momer memories, emotions, thoughts, and the space of mind in its wisdom aspec

It is the prayer of my innermost being to realize my supreme identity in t consciousness, the Vast Expanse. Now is the moment, here is the place c

Witness the contents of mind, the visions and sounds, the thoughts, As c Vast Expanse-the skylike nature of mind. The rootedness of Being is in e awareness: Unborn, unspoilt, stainlessly pure.

The infinite vibratory levels, the dimensions of interconnectedness are w independent. All beings and things are residents in your awareness.

I subject my awareness to the perfection of being, the perfection of wisd love, all of these being co-present in the Vast Expase. I share this pano all I can share it with...

The seamless interweaving of awareness with each moment creates perfe That is why this teaching is admired by artists-they sense the correctnes creative.

Life is infinite creative play. Enjoyment and participation in this creative joy. We coauthor every moment with universal creativity.

To bare our souls is all we ask, to give all we have to life and the beings nature spirits are intense and we appreciate them, make offerings to the us here-sealing our fate with each other, celebrating our love.

I am an intersecting kaleidoscope of being in a rainbow refractive wave p on the ocean...the transparency of my body with the rocks...Sometimes th my feelings is to draw-to collapse the frenzy in my limbs enough to make appreciation for my existence.

Share your presence with others, no boundaries, completely, openly, lovi alive, that is why we feel so alive when we love. Service is being availab combustion of love. That we love ourselves here, that is the true magnifi being.

We are constantly drawing the line between love and not love-Enter into

judgments dissolve in the Vast Expanse.

It's as though we are coconspirators of consiciousness-everyone, everyw
our openable minds. It's as though we could gather clouds in the sky and
an eruption of consciousness, we discover the source of love.

Experience yourself as the source and appreciate every moment as perfe
Thank you, thank you, Creator, Profound unstoppable connectedness of a
everything, most radical no-thing, the VAST EXPANSE.
