Summary: In 1980 the Hebrew university officially announced that the an cannabis; it can also found in all other spiritual books globally, so can n holy plant.

Cannabis information within all religions; to be religious infringement gl

Now considering how much trouble some of these clubs and peoples are h cannabis is being used for medical purpose again as God intended, and a used throughout the Bible.
We feel this is the missing part of our society that it is not holy and this if made more public again as should be.
Now Cannabis is not what they call an intoxicant as it joins to the Canna as a natural process of nature.
Now within the anointing oil in the Bible this was officially announced in University; yet is observable in any Strongs concordance or lexicon as th not translated i.e. Kaneh bosom.
This is also the case in the Quran, yet only verified by me, so far yet it in which the miss translation had been put into the bible as we see.
As with this being the case the oil in the Bible made correctly and holy

Is far better then cannabis alone as most of the other parts also heal an It does say in Mark in the bible that disciples healed with oil and Christ Christians means anointed ones, not a religion yet a way.
So instead of these being against us they need informing correctly that i all should be done in accordance as each ingredient is holy in each relig In Hindu texts it is part of the soma and the ancient anointing oil.
In the Quran there is the word Zanjabil =ginger and Kafur = Cannabis as known for growing cannabis as was Canna in the bible.
Also they put henna is sweet and aromatic which it isn't to taste, yet car couches and discuss, it is recorded in the Quran

In Shinto it is the holy plant and most items are made of cannabis and he ancient also is made with cannabis.
So in most of these findings it can all be backed up

Yet single handily, we are useless alone?

Yet as people who stand together and remind everyone life is precious a ill and people who suffer.

If this is allowed back into society and back into being regal as it is the

the bible yet disguised as it is to anoint.
It makes a compound when mixed with oils as THC, the active ingredient
