Summary: As the founding book of most Christian's beliefs, it is complete
the Bible foretells this will happen, yet clergy don't care, as long as the

To begin the author of John appears to be a Pharisee, as testimonies have more Pharisee private conversations and meetings then anything else.
It also represents Yeshua as an Egotistical law breaker, which too many with; as this is what most have chosen to be their 'jesus', when it can be wording.

One of the clearest points, is that the vocabulary is totally different, the and where as Yeshua warned "do not go after those who say 'I Am' (Ego Yeshua"; we find that repeatedly used within John.

So when we have 'I (Ego) am (I-Mee) the Bread of life (eat me)', 'I (Ego) life', 'I (Ego) am (I-Mee) eternal life', etc (x7).

This is like a rusty bucket with too many holes in.
Yeshua refers to God as "I (Ego) Am (I-Mee)", as only God is self existin

So it is basically defiling the law and making Yeshua look like a biblical made all things, when God did.

Next point is it uses third party in Yeshua's own speeches, about him sel

The testimony and theology mismatches each other, to Yeshua's words in

Destroying of the temple and it being rebuilt in three days is said to be made up by the Pharise Matthew and Mark; yet in John its told as truth.

They ask him if he is coming to a party and he says "no", then later goes into a liar.

It says he takes a chord and ties knots into it, when turning over the mo violent; rather then quoting scripture at them.

The disciples were told to go to the lost sheep of Israel, John says go to

Loads of Old Testament points:

The list could be added, yet basically it defiles the Old Testament so mu
people (Jews) off Yeshua as being anyone (if understood); yet its done t
deception.

For those who know the Bible; Revelations speaks of the fake Anti-Christ
of things unclean (eating and drinking Yeshua's flesh and blood), Harlotr
then God) and Balaam teachings (God does not sacrifice).

This is not a complete list as too do that, would mean literally mean eve
