Summary: The whole world has already been deceived, where their own unbelief blinded them to seeing they've already been set up.

The world has already been deceived by the Anti-Christ's teachings, when they were not properly assessed the situation properly.

The word **beast** is a swearword in ancient Hebrew meaning a 'beast that shall be cast down'; Yeshua forewarned about this (Matthew 7:6), as it is there in prophecy that the salvation (Yeshua) of God would be there contrasting the 'beast that shall be cast down'.

The real reason Yeshua came to the Jews, was as a return of King David's Psalms that he would suffer many things at the hands of our supposed enemies to establish who is really listening to the things of God.

Most of the world have been educated in some ways to see the Messiah as a peace-bringer rather than an avenging force of God; establishing the wheat from the chaff and the goats.

Yeshua's actual purpose was to establish a plummet-line, to place a measure on our beliefs, and see who follows his teachings, not everyone else's that came before (Matthew 8:11-22).

Thus Yeshua came to nullify the Abrahamic & Sinai covenant when the Sadducees were killed when they paid 30 pieces of silver like stated in Zechariah 11.

From the actions of the brutish leaders they divorced themselves, and for that reason the Curse of Moses (Deuteronomy 28) has been placed on the Jews for their disobedience being.

Next according to the Curse is the Judgement Day Fire at Armageddon in Revelation 19 and then we come to the Messianic Age in Deuteronomy 30:1-10, where the purpose is to understand the Marvellous Work of the Lord remaining.

Christianity creates the biggest problem with understanding what the Antichrist is, as the Pharisees John, Paul, and Simon the stumbling stone (peter) misrepresented about a person to come.

Petros isn't a nickname, it was used contextually that Simon would help

8:11-13, Zechariah 3:9). In the Parable of the Seed Sower, the Seed that plural of petros (Matthew 13:4-9).

Many Muhammadans & Jews reject certain aspects about Yeshua's character these fake Pharisaic [Cults, Paganisms](#) which are Antichrist by their very nature.

Where within them they tells us the Antichrist is a persona; similar to how that the Dajjal is a man, and Jewish texts identify Armilus as a real being descriptor each time.

You see the deception, within these texts identify a false messiah along false one is some form of false empire.

This to make it very simple for everyone is J+sus is a swearword, and Yeshua is God; where when we do a Bible word search on the Strong's reference number that the whole Tanakh is about it.

The separation of the Red Sea was the Salvation (Yeshua) of God, when Ammon the Lord promise he would become our Salvation, and thus when Yeshua the Lord became our Salvation - where other nations then feared Israel.

The Song of Moses, in Exodus 15:2 says the Lord will become our Salvation the Lord says he will become our Salvation, and the Chief Corner Stone to all their in the language.

The Rabbinic Jews have been taught to ignore much of the concept in the Torah who have limited the understandings about Yeshua.

What is prophesied is Yeshua will be a return of King David, with the Spirit will suffer at the hands of his own people (Psalms 89:19-21 = Isaiah 52:1 = Anointed).

When the Leaders of the people paid 30 pieces of silver for the price of the Abrahamic and Sinai covenants were nullified by the Sanhedrin's choice.

Thus the 2nd temple destruction, and diaspora happened as our Leaders ignored God's ambassadors.

The New Testament is purposefully corrupt, and an educated Jew should have where they should've tried to help educate Gentiles, not encourage bad behavior.

Muhammadans, and Christianity go opposite to many of Yeshua's teachings.

Yeshua came challenging the Sanhedrin over murdering prophets for atoning him into a human sacrifice after; the Bible prophesied this was meant to be as Muhammadans do against Christians.

Christ taught Reincarnation - Muhammadans and Christians don't believe in scientific evidence to show it exists.

Christ taught that John the Baptist didn't drink alcohol or eat meat, and same.

Christ taught not to make repetitive prayers, like the hypocrites on street.

As we go through Yeshua's teachings in the Synoptic Gospels, and compare teachings in Christianity being created in Antioch to the Pharisees Paul, stone (peter), where James the just head of the Ebionite Church of Jerusalem.

The Gospel, and Letters of John were part of the Nicodemus movement, which is part of the Bible canon, though it completely contradicts the Synoptic Gospels morality test. The Gospel of John fits with what the Sanhedrin believed Yeshua misrepresents him completely.

Muhammad in the Quran does point out that the Curse of Moses was placed on the covenant for a small price, which is in alignment with the Tanakh; yet much about who Yeshua was are limited, when we look at the language prophesied.

You see much of the problem stems in the bad understandings of Hebrew in Babylon, and are clearly prophesied before they happened by Isaiah, etc.

Isaiah forewarned that El is not like the Elohim (Isaiah 46:9), and Rabbi's difference, so now the whole world has a mistranslated Bible.

El means the 'Source' or has been translated as 'God' since Babylon to the present. Yet El can mean 'unto' or 'a strong Source' to something. Elohim is clearly an additional H added, which symbolically in Ancient Hebrew, means the bring something to make it manifest.

So Elohim is 'a divine being', and Elohim are 'divine beings' or the Divine Beings. When Yeshua claimed to be an Elohim based on prophecy, they thought he be God, he wasn't he was stating he is a Divine Being, and a member of the
