Summary: Most people haven't been taught early church history, and so h
the Anti-Christ's teachings.

Prophetically Zechariah 11 was fulfilled when the Sanhedrin rejected Yes
Abrahamic covenant in Zechariah 11:10. When they paid 30 pieces of silv
head, they divorced themselves nullifying the Sinai covenant in Zecharia

The early church were called the Ebionites in contexts of Zechariah 11:1
These all gave up wealth, were vegetarian, and believed the commandme
Heaven; the same as Yeshua taught when asked in Matthew 19:16-21, Ma
18:18-22 - that if we are to gain eternal life, we should follow the comm
and give up wealth.

The early church with James the Just head of the Church of Jerusalem st
Christianity, which claimed Yeshua came to die as an atoning sacrifice. I
the Sanhedrin before, had been that the "death of the righteous could at
generation"; which Yeshua had stood against (Matthew 23:27-38, Mark 7
Parable of the Wicked Husbandmen, that after his death, they'd teach yo
death, yet you'd be condemned by God.

The early Ebionite Church shared bread in remembrance, the same as Ye
supper; where he specifically told them not to drink of the vine least the
10:42, Mark 9:41).

Yet Pharisaic Judaism, and then the Roman Catholic Church endorsed the
of the ceremony, and thus Holy Communion was established as a form of
drink the blood of an immortal, we will gain eternal life.

Simon left the Ebionites, and joined Paul creating Christianity in Antioch
where Yeshua called him Petros, meaning a small pebble that will trip us
Zechariah 3:9, and Isaiah 8:14-16 that before Yehoshua there will be a s
deceive the nations.

The reason Pauline Christianity needed to be invented was that the Roma
based on a high taxation of the people, which the Sanhedrin organized. T
everyone gave up wealth, and joined Yeshua's 'cult', as they didn't accep
descendant of David, and King of Israel, they felt this would end the mov
worse. Eventually the Roman Empire ransacked Israel for 3 and half year
flesh due to starvation; as prophesied in Zechariah 11:9, and Deuteronor

Which meant the Curse of Moses can be proven to be placed two thousan
as we can show from history; that Deuteronomy 28 has happened to the w
the last two thousand years because of it.

Paul went out of his way rewriting these prophecies, and making it seem
Jews are still a chosen people; whereas they were cut off, and those who
commit adultery as Yeshua stated in Matthew 5:27-32. The statement in M
in right eye, and removing the right arm is in reference to Zechariah 11:1
lied to humanity for the last two thousand years, making the religion of J
and not about the Lord's.

Paul goes into great emphasis of how we have to work to pay the Roman
taught God gave everything we need for free.

Muhammad's uncle was said to be an Ebionite, and when his uncle died,
stopped. Which means it is likely that the knowledge in the Quran came f
Church (Nazarenes), who were opposite to Christianity.

When the Bible is read through Jonadab, Paul, Simon peter, we see Pharisaic Christianity Vs the
Ebionites James, Jude, Revelation, and the Synoptic Gospels, it makes f
Parable of the Wheat and Tares, & the Sheep and Goats.
