Summary: Global religion has become confused since Babylon, as the Ra
language; mixing the ideas of Divine Beings, and God as the same.

When we examine the language used in the Biblical Hebrew, they used El
Source of reality, and the Elohim (H430) as the Divine Beings or Avatars
Dharmic texts.
Because since Babylon the Rabbi have felt themselves separate to the re
they've forgotten they're a part of it.

The terminology Bhagavan Brahma means the same as Yahavah in Hebrew
Brahma mean the same thing, 'to be, to become, to make manifest'.

Yah means Lord, as we can find in Psalms 89:8 it compares who is a stro
- we can't compare who is a strong Yah (Lord), if it is a shortened versi
Creation).

The terminology El in my understanding means the Source (God), and wh
to the word, it makes it something breathed by Source. Eloh (H433) mean
pluralized is Elohim (H430) referring to the Divine Council, which was un

When Isaiah 46:9 says that El is not like the Elohim, and there is none b
language used in Deuteronomy 32:7-9; where El Elyon separated the nati
gave the nation of Israel to Yahavah.

Quote:
Isaiah 46:9 Remember the former things of old: for I am El, and the Eloh
there is none besides me.

Deuteronomy 32:7-9 Remember the days of old. Consider the years of ma
father, and he will show you; your elders, and they will tell you. (8) Whe
nations their inheritance, when he separated the Children of God, he set
according to the number of the children of Israel. (9) For Jehovah's porti
lot of his inheritance.
Therefore we have other Divine Beings who received other nations, and Y
Divine Beings. Now fair enough when we realize the contexts that Yahava
Creation, like Bhagavan Brahma means; it makes it head of the Divine Co
make images or forms of God, which is the Source of reality without form

We can see in David's Psalms that he differentiated between God Yahavah (H

High (H5945):

Quote:
Yahavah thundered from heaven, and the Most High uttered his voice.

2 Samuel 22:14 & Psalms 18:13, Psalms 21:7, Psalms 50:14, Psalms 78:3
In Job we can see that he appointed that there is the Divine Being (H433
where El has titles like El Shaddai, El Gibbor, El Elyon.

Quote:
Job 5:17, Job 6:4, Job 11:7, Job 22:26, Job 27:10, Job 31:2, Job 40:2
Now according to the Curse of Moses in Deuteronomy 28-30, the reason t
soon to be incinerated is because they've rejected the Rock of Salvation

If we specifically examine the language of Deuteronomy 32:15-18, becaus
Yeshua/Yehoshua two thousand years ago, as their Divine Being who insp
replaced it with another new idea, different to what their forefathers und
the Lord of Creation, and Yeshua is the Right Arm of the Lord that intera
Mighty Things to protect the Children of Israel.

Yeshua isn't a man as Christianity has confined him into, by a Bible word search on H3444, a spiritual Sceptre of Righteousness that comes from Judah (Genesis 49:10+18).

Quote:
Deuteronomy 32:15-18 But Jeshurun grew fat, and kicked. You have grow
thick. You have become sleek. Then he abandoned their Divine Being (H4
rejected the Rock of his salvation. (H3444) (16) They moved him to jealo
They provoked him to anger with abominations. (17) They sacrificed to d
Being (H433), to Divine Beings (H430) that they didn't know, to new 'idea
which your fathers didn't dread. (18) Of the Rock who became your fathe
have forgotten God (H410) 'who manifests you'.
Thus basically they've rejected Yeshua who was the Right Arm of the Lor
to follow Ha-Shamash, which was a legalistic deity of the Babylonians, w
found in Leviticus, which was correlated in Babylon.

When Jews & Christendom believe that Yahavah Eloh is God, that is henc
Divine Council; Islam was correct when it says we should only worship th
El Elyon) - Not beings which are made by the Source of reality.
