Summary: Global religion has become confused since Babylon, as the Ra language; mixing the ideas of Divine Beings, and God as the same.

When we examine the language used in the Biblical Hebrew, they used EL Source of reality, and the Elohim (H430) as the Divine Beings or Avatars Dharmic texts.

Because since Babylon the Rabbi have felt themselves separate to the re they've forgotten they're a part of it.

The terminology Bhagavan Brahma means the same as Yahavah in Hebrew Brahma mean the same thing, 'to be, to become, to make manifest'.

Yah means Lord, as we can find in Psalms 89:8 it compares who is a stro - we can't compare who is a strong Yah (Lord), if it is a shortened versi Creation).

The terminology El in my understanding means the Source (God), and wh to the word, it makes it something breathed by Source. Eloh (H433) mean pluralized is Elohim (H430) referring to the Divine Council, which was un

When Isaiah 46:9 says that El is not like the Elohim, and there is none b language used in Deuteronomy 32:7-9; where El Elyon separated the nati gave the nation of Israel to Yahavah.

Quote:

Isaiah 46:9 Remember the former things of old: for I am El, and the Eloh there is none besides me.

Deuteronomy 32:7-9 Remember the days of old. Consider the years of ma father, and he will show you; your elders, and they will tell you. (8) Whe nations their inheritance, when he separated the Children of God, he set according to the number of the children of Israel. (9) For Yahweh s porti the lot of his inheritance.

Therefore we have other Divine Beings who received other nations, and Y Divine Beings. Now fair enough when we realize the contexts that Yahava Creation, like Bhagavan Brahma means; it makes it head of the Divine Co make images or forms of God, which is the Source of reality without form

We can see in David's Psalms that he differed and the God was Yahavah

Quote:

Yahavah thundered from the Most High uttered his voice.

2 Samuel 22:14 & Psalms 18:13, Psalms 21:7, Psalms 50:14, Psalms 78:3  
In Job we can see that he appointed that there is the Divine Being (H433) where El has titles like El Shaddai, El Gibbor, El Elyon.

Quote:

Job 5:17, Job 6:4, Job 11:7, Job 22:26, Job 27:10, Job 31:2, Job 40:2  
Now according to the Curse of Moses in Deuteronomy 28-30, the reason that soon to be incinerated is because they've rejected the Rock of Salvation

If we specifically examine the language of Deuteronomy 32:15-18, because Yeshua/Yehoshua two thousand years ago, as their Divine Being who inspired replaced it with another new idea, different to what their forefathers understood the Lord of Creation, and Yeshua is the Right Arm of the Lord that interchanges Mighty Things to protect the Children of Israel.

Yeshua isn't a man as Christianity has confined him into a [Bible word search on W444](#) spiritual [word search on W444](#) it is the expectation of the Tanakh, that we wait for the Sceptre of Righteousness that comes from Judah (Genesis 49:10+18).

Quote:

Deuteronomy 32:15-18 But Jeshurun grew fat, and kicked. You have grown thick. You have become sleek. Then he abandoned their Divine Being (H433) rejected the Rock of his salvation. (H3444) (16) They moved him to jealousy. They provoked him to anger with abominations. (17) They sacrificed to dead Divine Beings (H430) that they didn't know, to new 'ideas' recently, which your fathers didn't dread. (18) Of the Rock who became unmindful, and have forgotten God (H410) 'who manifests you'. Thus basically they've rejected Yeshua who was the Right Arm of the Lord to follow Ha-Shamash, which was a legalistic deity of the Babylonians, which was found in Leviticus, which was correlated in Babylon.

When Jews & Christendom believe that Yahavah Eloh is God, that is hence the Divine Council; Islam was correct when it says we should only worship the (El Elyon) - Not beings which are made by the Source of reality.
