Summary: A quick guide to fixing Some of the religions, for one unified g

Hinduism has got confused that we are the same as Brahman, where they our self is actually part of that one universal self ("I Am"). The Source o and is where all self comes from; self is like a timeline of our experienc history like we do, as it is everything, and everyone; where to be in that state of emptiness to have everything within it.

Buddhism then tried to correct Hinduism to be selfless, and not to attach self; yet within not pointing directly at a God, people think it is atheistic Source of reality as the Universal Mind. Where many think in Buddhism t the soul as Santana which is the universal music; where instead of us at individuality, we are all part of one infinite piece of music, where each o

The Bible prophesied that the Messiah would be rejected by the Jews, as theology since Babylon. Where El refers to the Source of reality, and Elo Beings/Avatars - Which would define Archangels within a Heavenly realm refers to the 'Lord of Creation of the Avatars'; which is the same as 'Bha where 'Havah' & 'Brahma' both come from the root breath, and mean 'to b thus refer to the Creator.

Christianity (aka Simon the stone {petros}) was fabricated by the Pharisees to contr John P Christ. The original followers of Christ were called Ebionites, and were s Pharisees sold the idea they'd not been placed under the Curse of Moses replaced it with Christ came to die as an atoning sacrifice for the world.

Muhammad's relation was an Ebionite, and taught him much of what he kn meant to be a reiteration of where prophecy became corrupted, and peop religious texts to understand it properly. The terminology 'Ala Ilah' mean within the Quran Allah is often referred to as that terminology; in Hebrew Elyon'. In ancient theology the Source of reality separated the nations a gave the nation of Israel to YHVH (Deuteronomy 32:7-9). The Quran unde existed (38:69, 37:8), yet modern followers don't remember that the Divi yet are the Archangels/Avatars recorded in many religions, as the Source the reality.

Zoroastrian prophecy foretold a child found in a basket that would raise prophesied one of the Saoshyants to be born of a virgin, with a great sta wise men who came to Christ birth with gold, frankincense, and myrrh we

Bahai tried to build on lots of faulty foundations, where it quotes from th
the Bible, and doesn't know the difference.

Taoism perceives that there isn't a God, as it is nameable, and a thing; v
defining by the Tao, is if we name it, people will argue over its identity,
thing, it becomes infinite. The Tao doesn't even point at God directly, ye
that we see in reality, and defines it must have come from somewhere; yo
that is, as in doing so, we spoil the concept.

Within many religions when we reach a state of enlightenment, we can be
Council, and through dedication to altruism & morality, we can become a

God is like a Universal Central Processor (CPU) formulating reality, whe
everything is mathematically structured, such as the Periodic table being
Fibonacci sequence interwoven into the fabric of reality.

This is only a start to some of the contradictions, that with careful analy
