Summary: What the majority believe about Christ being crucified, is the e
an explanation of why the world has already been lead to be anti-Christ's

A simple summary would be:

Immanuel came to lay a Snare, where he becomes the bait in the Bed of A

It wasn't God who placed people into the Bed of Adultery, it was always

The more complex explanation:

To understand this properly, we have to start from the prophesied precep
Pharisaic approach (John, Paul, Simon peter, etc) of what they believed was happening.

Thus lets start at the Beginning, many Christians believe that due to Ada
world, that had to be paid for, and that the darker forces that mislead th
the death of the Messiah (Genesis 3:15).

The idea that sin is passed down from Adam & Eve firstly is in error, Eze
sin is not passed down from father to son, and therefore it was not passe
Eve; yet this was a Pharisaic concept, that we're all in sin, cut off from
properly realizing God is the Source of reality. It was the Lord of Creatio
from Israel multiple times, due to their immorality.

Next we can not pay God, as stated in Psalms 49:7 that God doesn't acce
as if we think about this logically, God created the whole universe, and c

Isaiah feels he is unworthy, and God instantly forgives his sin, without p

thing.
This is the Covenant with Death that was ascribed in the Bed of Adultery
with the Chief Corner Stone placed in the middle of it in Isaiah 28:16.

People quote Isaiah 53 to try to prove the Messiah came to atone for the
Pharisaic authors John, Paul, Simon petros, re-emphasized what was writ
authors who have told people to defile the contexts of both the Law, and
it carefully, in Isaiah 53:10, it please the Lord to allow the Messiah to s

Thus the Messiah was allowed to be crucified to act as bait in the Bed of

The real test in Genesis 3:15, was to catch out those who have a darker
Covenant with Death, with no real investigation; yet due to the Pharisaic
job of rewriting prophecy, even some of the good people are being convi
anti-Christ's doctrines (John, Paul, Simon petros) without being aware of the differences.

Because the Sanhedrin would pay 30 pieces of silver (the price of a slav

Thus God let them murder the Messiah, for them to divorce themselves; t
the false Gospel of John & Paul's writings, to make it look like they were

To summarize:

God allowed the Messiah to be crucified, as a way to test who listens ca
