Summary: Religion has been confused since Babylon, as the Bible was ab
Being, with the God Most High above him.

The Bible has been badly translated since Babylon, as the religious lead
between El & Eloh; where El applies to primordial deities, and Eloh refer
physically manifest in some way i.e an Avatar.

When we pluralize El (H410) it becomes Elim, and when we pluralize Eloh
(H430).

Within many of the world's religions there is the Source of reality (God),
from, and then in multiple religions globally, there are a Divine Council
interacted with our reality.

The final Avatar/Divine Being is the 25th of the Divine Council, and is th
(YHVH), which has interacted with reality as the Arm of God.

The Quran says, 'Never has the God Most High (Allah) interacted with re
been by Messengers' (42:51).

It was prophesied that they'd muddle up the theology in Deuteronomy 32:
Isaiah 46:9, where 'El is not like the Elohim'; yet because they'd adopted
they didn't realize they've confused theology globally.

Ever since Babylon to avoid the polytheistic Canaanite belief system, the
Eloh both mean God, the problem with this, is it has lead to theological

What is being taught Biblically is a form of henotheism, where they've ma
God almighty (El Shaddai).

When we look at the Psalms we find that they include both YHVH Eloh &
ancient times, that they understood this clear distinction.

In Job's writings we have both Eloh, and the Almighty (Shaddai) showing

Within Deuteronomy 32:7-22 there is a dire warning, that judgement will
rejected the former theology.

This verse in Deuteronomy 32:7-9 has multiple versions of it, and some i
Angels of God, Elohim, Sons of Israel, etc. This basically implies when E
among the Elohim, he gave the nation of Israel to YHVH Eloh.

Quote:
Deuteronomy 32:7-9 Remember the days of old. Consider the years of ma
father, and he will show you; your elders, and they will tell you. (8) Whe
nations their inheritance, when he separated the Children of God, he set
according to the number of the children of Israel. (9) For Jehovah's porti
lot of his inheritance.

Because Babylon had a similar polytheistic theology, and not monotheisti
the demigods, afterwards they decided that theology couldn't be correct,
Biblical theology into a form of henotheism.

The next part of Deuteronomy 32 continues how they'd muddle up the the
Divine Being (Eloh), and replacing it with new ideas; where due to this t
miscomprehension, they'd also overwrite the God Most High - which is th

which your fathers didn't dread. (18) Of the Rock who became your fathe

In Deuteronomy 32:22 it informs how because of this, God will cleanse re
levels, as they'd rejected the theology they were given.
Yeshua was prophesied to come, and try to 'lead the hearts of the childr

there, when they heard, said, This one calls for Elijah.

The most likely reason they thought he was saying Elijah, was because t

When we understand the language was confused since Babylon, and Yesh
how he fulfilled prophecy of being a Divine Being (Eloh), they thought he

(El); when he was addressing the faulty theological structuring, and tryi
recognizing God is the Source of reality, not a Divine Being.
