Keywords: Religion, God, Oneness, Bible, Christ, Messiah, Avatar, Divin

Summary: Explaining some of the prophecies showing where I'm named af
fulfil religious prophecy globally.

To understand who is the King of Kings properly according to scripture, t
theological position of the characters presented in the religious texts, el
defiles different religious principles.

Firstly, God is the Source of reality, and can not be a man incarnate; it i
supercomputer, and God is the Universal Central Processor (CPU) - form
level. For the CPU to interact with the reality, God has made Divine Bein
have then performed the tasks required. Thus God is the whole of reality
the Arm of God used to interact with the Creation, and exists at a Heave
the Messiah is the Hand of God to relay, and establish the principles of

Many believe that YHVH is a name, when it can be shown to be a direct t
Brahma; where Havah (Hebrew), and Brahma (Sanskrit), have the same m
manifest', and both come from the root breath. The terminologies YHVH &
the 'Lord' 'who Makes Become' i.e the Creator.

The name of the Creator in quite a few cultures was variations of a word
from a book called the Zanoni by Edward Bulwer Lytton:

Zan was unquestionably the Chaldean appellation for the sun. Even the G
Oriental name, had retained the right one in this case, as the Cretan ins
(Ode megas keitai Zan. "Cyril contra Julian." (Here lies great Jove.)) sig
the rest, the Zan, or Zaun, was, with the Sidonians, no uncommon prefix
another name for Zanonas, whose worship in Sidon Hesychius records.

The Nicene Church Fathers have this same quote from the Greeks, where
there is one Creator Divine Being, with different descriptions in differen
named after the planets, and is the 'Father' ('pater' - Latin) of the Gods
'Jove' is the Hebrews terminology for the 'Lord of Creation', and 'Zan' is
'Zeus' is a mixture of the words 'Zoe' meaning 'life', and 'deus' meaning

The Cretans have a tomb of Jupiter, with this inscription. Here lieth Zan
Jove.

Here within the list of names of the Creator globally, we can see that the
sound on two sides of the world, when there is no reason for them to be

religious ideas:

Zeus = Zan (Greek). Zanahary (Madagascar). Itzamna (Mayan). Izanagi/It
Karpo (Bon - Tibet). Shuzanghu/Zumiang-Nui (Dhammai - Northeast India
Manzan Gormo (Burait - Middle Eastern).

The reason for explaining this is because I've known since an early age
religion & theology, and knew that our name was recorded in the world's
prophecy - I just wasn't sure of the exact details at that age.

At 4-5 years old I knew that I'm an Avatar sent from Heaven, and at 15 t
me showing me global eschatology, and asking me to read the world's rel
fulfilled Revelation 5 & 10, three years before reading the Bible.

Since studying many of the world's religions, and explaining prophecy ov
I've realized how variations of our name are within many of them.

We're told in Revelation 19:12 how Christ has a New Name, that only he
investigate the meanings within Revelation 3:12, we can show the name i
presented:

Revelation 3:12 He who overcomes, I will make him a pillar (Sandalphon)
and he will go out from there no more. I will write on him the name of my
city of my God (Zion), the new Jerusalem, which comes down out of heav
own new name (Sananda).

Sandalphon is the Archangel in Jewish Angelology, who acts as the Trunk
interacts with mankind for God; the position within the Sephiroth is know
'King'. Sandalphon like Elijah is seen as going up on a Pillar to Heaven.

There are many verses where Zion becomes the place the Lord of Creatio
Tanakh (Psalms 132:13-14, Joel 3:16-17+21, Isaiah 2:3, Micah 4:2+7, Isa
Isaiah 40:9, Psalms 99:2, Amos 1:2, Jeremiah 31:6, Psalms 65:1, Psalms
Psalms 102:21, Isaiah 28:16, Jeremiah 8:19, Zechariah 8:3), and a few s
Being Zion' (Psalms 146:10, 147:12, Isaiah 52:7), where Zion becomes th
Messiah, and the one who brings the 'Good News'.

It is believed by many that the New Name of Christ is Sananda, where it
of the Creator's son in the Dharmic religion, where Sanandana is one of
Brahma.

Though as stating God is the Source of reality, and should be worshipped
named after God in a few of the world's religions, and the Messiah return
Zechariah 12:8, Matthew 23:39, Psalms 118:26, etc.

Part of the reason the Messiah is named after the Divine is to unite the
Oneness, as to help create the Messianic Age. There is prophecy in mult
the naming then aligns it all into one narrative.

So for example the Dharmic religions wait for Kalki the final incarnation sword of Justice, called Nandaka. There is also expectations that Skanda before , again all aligning with one name.

In Zoroastrianism the Source of reality is called Ahura Mazda, where 'Ah 'Mazda' means Wisdom. There are prophesied Saoshyants (Bringers of Tr where the last is sent to Exegete the religious text, where the word 'Zan Persian.

In Buddhism Ananda is the person who had an advanced memory, and hel In Tibetan Buddhism the Head of the Divine Beings in the sacred realm S Suchandra.

Though I made up the word wizanda, as I couldn't get Zanda as a Yahoo make it sound like a wizard on the internet; not realizing that it then bec Germanic 'WMdanaz'.

Odin is prophesied to come on a White Horse before Ragnarök, the same White Horse from Shambhala (Place of Peace) before the end of Kali Yug Sananda comes on a White Horse in Revelation from the New Jerusalem (

In the Tibetan Bon religion Tsangpa Karpo is the name for the Creator (B is the name for the Buddha.

In the Mandean religion there is different stations of Divine Beings, very archangels exist at different positions on the Jewish Tree of Life, where Heavenly Divine Being, and Zan-Hazazban rules over the lower realms.

This is only a start to some of the prophetic naming globally, as though globally, there is loads that will be missed:

Sandalphon (Judaism). Yeshua (Sananda) (New Name of Christ). Kalki (Nandaka)/Skanda/Sanandana (Hinduism). Ahura Mazda + Saoshyant (Zan (Zoroastrianism). Maitreya (Ananda/Skanda/Suchandra) (Buddhism). Odin Zeus = Zan (Greek). Zanahary (Madagascar). Itzamna (Mayan). Izanagi/It Karpo, Kuntu Zangpo (Bon - Tibet). Shuzanghu/Zumiang-Nui (Dhammai - N Gozanze-Myo (Japan). Manzan Gormo (Burait - Middle Eastern). Zân (Ro (Albanian), Xana (Asturian). Marzanna (Slavic). Abatur Muzania, Zan-Haz Sandas (Hittite).

In the Australian Aboriginal religion Walaganda is Head of the Dream wa reality.

In the start of the Mahabharata *[na is the creator of the Egg of Reality questioned if the Japanese names for the Creators Izanagi, and Izanami, Sanskrit names *[na, and *[n+.

In Taoism 'Xian' are the immortal beings; yet is pronounced Chen (NÙ).

Some of the additional symbolism, is a Zander is a fish, likeathe early Ch
cross between a pike & a perch.

Z is the Last letter in the English alphabet, and A is the first; so when Y
First, and the First Last, Zanda becomes the Alpha & Omega reversed.

The one time I find my name spelled the way I would in Hebrew, it is in r
Nebuchadnezzar's name (àÑÕÛÓàÐæè + àÑÕÛÓàæè) - Adnaz (Zanda - æÐ
symbolically as we come out of Babylon the Great, the Curse is reversed
again named as the King of Kings.
