Keywords: Bible, Exegesis, God, Creator, David, Yeshua, Anti-Christ, Oneness

Summary: Here is the letter warning the Beth Din & Chief Rabbi, of what the Great Tribulation.

Having wrote to yourselves [Ephraim Mirvis \(25/8/23\)](#) [Beth Din \(20/6/24\)](#) didn't really expect a null response to prophecy globally; thus more than enough what Biblical prophecies are being fulfilled, and so I'm writing back to you about the Great Tribulation.

According to what God told me as a child, and what prophecy shows: Betzlem supernova - causing a massive meteor shower from its asteroid belt, and a black-hole, this whole reality will be reset back to Eden, yet only with the righteous resurrected.

I've wrote to yourselves to share specific Biblical prophetic warnings, that I'm sharing with you, as a final warning before Judgement Day.

When I've asked both the Beth Din, and the Chief Rabbi if there are high priests sent to - I've since been informed that there is also the Moetzes Gedolei HaTorah request that you also help show them what is at stake.

At the age of 21 (1999) I fulfilled Revelation 10 of the Final Trumpet (the 10th of the Bible), and was told how Yeshua came to set a Snare (not to be offered food) to see who'd listen to both the Law & Testimony (Isaiah 8:11-22).

I've been sent like the Parable of the 'Fig' before 'Summer' (Isaiah 28:4) - that because Pharisaic Judaism made up Christianity on purpose, where 'the fig with Death', as to create the 'Bed' of 'Adultery' (Isaiah 28:9-19+20-21). It has been shown that Judaism has used this to deceive the Gentiles, according to prophecies charged with it (Isaiah 29:20-21) - unless we can educate everyone instead.

This is where in Ezekiel 7:26, when it says 'Rumour upon Rumour' (Isaiah 28:18) - Judgement 'may' come on Israel - Where it is possible to avoid the slaughter, you must acknowledge these scriptural warnings.

As I've said in the previous messages to yourselves, I'd much rather use a different tool, and teach everyone about the hypocrisies that many have overlooked. If it would mean we need your help to correct religion globally. If we ignore these prophecies, Judgement Day will come, and then we still get to keep those who are righteous.

Prior to reading the Bible about 24, when gardening I saw a word in my robin ('Adoni Melchizedek'); I had no clue what that meant before speaking Kabbalah from New Jersey, nicknamed 'The Seventh Beggar'. I believe that Isaiah 46:11-13, that I've been appointed by a 'Swooping Bird', and sent yourselves [symbolic naming globally](#) (my credentials); where since Babylon language has been muddled up, 'that El (Source) is not like Elohim (Avatar

Isaiah 46:9 is paraphrasing the language used in Deuteronomy 32:7-9, where High) separated the nations among the Divine Beings/Divine Council (Elohim YHVH Eloh (Lord of Creation Avatar).

I've now returned with the name similar to the Creator in many of the words (Isaiah 118:26, Matthew 23:39), to see if we can fix where things have been muddled up. It will happen to all of mankind first, and after we will come to the Messianic Age where we will manipulate what God gave them for their gain.

Based on this correction that 'El Elyon' is the Source of reality, and the representatives - similar to Avatars or better Archangels; this can unify Judeo-Christendom: where the Quran referenced the Divine Council (38:6) and the theological structuring that exists within Heaven, wasn't understood properly in the culture by that time period.

El Elyon (God Most High) becomes 'Ala Ilah' in Arabic, which is then written as the word - 'Allah'. The Quran was saying only worship the Source of reality, which was sent by Allah.

YHVH Eloh was understood as head of the Divine Beings (Elohim/Avatars) and when Judah became more henotheistic, choosing one of the Divine Council, and after Babylon. This is referenced in Deuteronomy 32:15-18, that the form of the golden calf would be rejected, and thus the Curse of Moses (Deuteronomy 28-30) would be upon Israel.

This was the same theological structuring as found in the Dharma: where the word (Creation) translated into ancient Hebrew was Yah-Havah; where Brahma, the same thing - 'to become', 'to make manifest', and both come from the same root.

Based on the information supplied in the Gospel of John, it is possible that the Gospel was made up by members of the Sanhedrin, in an attempt to discredit Yeshua's teachings years ago. Due to turning a Divine Being (Eloh) into God Almighty by the time of the fake Gospel of John, it is prophesied that those culpable get rewarded (Isaiah 47:8-10). Yet it also would be possible to educate the Gentiles about the truth and it can be shown it is like an ordained morality IQ Levitical exam - where the fake Gospel of John can be used as a teaching tool.

Simon petros was specifically called 'a stumbling stone' by Yeshua/Yehoshua in Matthew and Isaiah 8:14-16; where Yeshua recognized Simon was Pharisaic, and that he would be used to corrupt the Gospel globally - where again it is prophesied that with your help this could all be taught globally, simply by separating the truth from the media.

I'm an eternal optimist, and though I know God gave me visions as a child, and the world will be cleansed, I'm always hopeful that some of you could logically understand and teach these contradictions within the Bible. Where just because the Pharisees thought they were succeeding at manipulating what God gave them, it is already known that they'd do this (Jeremiah 5:26), and prophesied all of that could be a future example not to manipulate what God gives us, and how calamities by doing so (Dark Ages - Kali Yuga).

I believe Ezekiel 38:8-12 is referencing the Zionist state of Israel as God's punishment for indoctrinated Christendom supporting them to create Armageddon. Where Ezekiel 38:21-22 the Judgement Day fire comes, and after we will only keep those on the Guest-list; I'd rather we help fix religion between us, and 'scripture become a witness' (Ezekiel 23:29), yet for this to happen, it would need us all to logically question our beliefs.

This is just a start to some of the information we can go into, where I believe in the prophecy that I'm the reincarnated King David, with memories of being Yehonatan, named Zion/Zan - Yet first we need to be taking this all very seriously, as our existences depend upon it.
