Summary: It was prophesied that the Jews would reject the Messiah at th
David with the spirit of the Creator, due to their leaders blinding the pe
properly.

According to prophecy the Messiah (Immanuel/David/Yeshua/Zion) didn't
yet to act as bait in a textual Snare, to catch out the Ravenous/Predator
death as Good News.

Messianic Identity

When the Tribes of Israel were poor in the Exodus, they looked for Salva
provided it, as time went on the leadership took over, and they rewrote t
themselves.

Moses foretold this would happen, where by the time that he came down
already facing contrary to what he was teaching, and so by the Later Day
opposite to what they'd been given (Deuteronomy 31:26-29).

When we understand that Yeshua (H3444) in Hebrew is the Spirit of Salva
Red Sea (Exodus 14:13), fought against the Children of Ammon (2 Samue
2 Chronicles 20:17 Jehoshaphat Vs Ammon), and saved Israel countless t

When Moses renamed Hosea son of Nun to Yehoshua, by adding an additi
his name, it changed its meaning from 'saviour/deliverer' to 'shall be a s

This same prophetic naming was applied to Yehoshua son of Yehozadek -
from the Babylonian Exile, and Yehoshua son of Joseph & Maryim - who w
chucked in a pit, and then gains an inheritance to share with the strong.

There is this fascinating Bible study, where the 'Lord Became' (H3068 +
to fulfil the Creator's desires within this world, and at the beginning of e
'Yah'; thus when in Exodus 23:20-23 the Creator said it will place its ang
title upon it, this was fulfilled in these utterances:

*Genesis 39:2 - Joseph, Joshua 6:27 - Joshua, Judges 1:19 - Judah, 1 Sa
Chronicles 17:3 - Jehoshaphat.*

Because of the name change to j+sus/j+ses (ÙáÕá/Ùáá - A Beast that Tra

The shortened Aramaic version that he was often called as a nickname w
same as the word for Salvation (H3444), and when we look this up across

*H3444 (Yeshua) + H1961 (To become) = Exodus 15:2, Psalms 118:14-21,
10:11 David Vs Ammon) + Isaiah 33:2-6, Isaiah 49:6, Isaiah 51:6-8.*

*H3444 (Yeshua) + H7200 (To see) = Exodus 14:13, Psalms 98:3, Isaiah 5
Jehoshaphat Vs Ammon).*

By the very nature of all of this prophetic naming:

Isaiah - Yeshayahu (Saved by the Lord) prophesied about Yehoshua (Lor

Genesis 49 are prophetic cryptic promises made to Jacob, that from his s
Messiah; where they were told to wait for 'the Sceptre of Righteousness

In Genesis 49:18 we're told 'that we wait for the Salvation of the Creator
that will cause the people to stumble in Genesis 49:17.

*Genesis 49:17-18 Dan shall be a serpent by the way, an adder in the pat
heels (j+sus), so that its rider shall fall backward. (18) I have waited for

This name change to 'j+sus' was part of this prophecy, yet has been over
religious leaders don't want to admit that they've made a huge mistake, a
where Yeshua fulfilled Hebraic prophecy.

Deluded Leadership

Instead of investigate what the Bible stated, the Rabbis have then made

It's possible to see how the religious leaders are like Joseph's brothers,

Let's carefully dissect where the Messiah was prophesied to be rejected,
succinctly:

During the Babylonian Exile the religion changed, where it no longer san

today.

Messianic Sanctification

Part of the biggest loss spiritually within the religious contexts, is recog
Salvation (Yeshua), is the delightful aspect of God's interaction with rea
Israelites.

Isaiah 6:10 has taken the wording from Deuteronomy 32:15, and through
caused the Jews to reject their Divine Being, in the process of them reje
Gentiles believe.

*Deuteronomy 32:15 But Jeshurun grew fat and kicked. You grew fat, thick
forsook his Divine Being (Eloh H433) who made him, and lightly esteeme

The Israelites theology was different to what modern people understand,
the language after Babylon, where El (H410) and Eloh (H433) are not the

Eloh with the additional H means some Being breathed into existence, so

worship.

El Elyon translated into Arabic is 'Ala Ilah', and so becomes 'Allah' as a
Council is referenced in the Quran - yet it's stated how it had been forgo
(38:69, 37:8).

Yeshua Eloh was trying to correct the theology two thousand years ago,
being the God Most High, and him being the spirit of YHVH.

The Quran was a continuation from the Ebionites knowledge, where it cal

dealing with the prophecies showing that he was the spirit of the Creator

This is where when Yeshua created the Parable of the Wicked Husbandme

Yeshua prophesied in Matthew 23:39 "you will not see me, until you say
the name of the Creator (YHVH)" - quoting Psalms 118:26.

When Yeshua said "Eli Eli" (My God), Hebrew speakers of that time, thou

This comprehension error in language meant that when Yeshua quoted ce
himself, as their Divine Being of Salvation (Yeshua Elohim), they though
God, by showing himself scripturally as one of the Elohim (Avatars).

People have forgotten how we were given Divine Leaders sent from Heav
down near Hell, and most mortals have desires for self gratification, rath
values for everyone.

It was prophesied in Hosea 3:4-5 that because they went against God's p
Leaders would cease from being sent, until the returning Messiah comes
named after the Creator globally.

Part of the biggest religious miscomprehension is that everything happen
imagination, like being inside a universal computer system, and God is th
so everything happening is foretold, and known before it happened.

Davidic Prophecy

It was the Creator's spirit ordaining all these things, where it was proph
King David God's plan would be fulfilled; yet due to a missing letter Yod
properly.

In Psalm 89:19-21 King David was appointed as the Messiah, and this wa
52:10-14, that the Spirit of Salvation will be placed into a sanctified ves
Servant who would fulfil Isaiah 53.

In Isaiah 52:14 in the Dead Sea Scrolls 1QIsaa there is an additional Yo
making it the same as 'I anointed' in Hebrew (ÞéÁ×ê H4893 instead beco
ÞéÁ×êÙ H4886).

*Psalms 89:19-21 Then you spoke in vision to your saints, and said, I hav
warrior. I have 'exalted' a young man from the people. (20) I have found

This is a translation including the additional Yod, with the matching keyw

*Isaiah 52:13-14 Behold, 'my servant' will deal wisely. He will be 'exalted
very high. Just as many were astonished by him, for 'I anointed' him mor
and his form more than a son of man.*

When this Yod is replaced, no longer is the 'my servant' ambiguous in Is
King David being named Yeshua.

Fixing this rectifies a lot of Biblical loose ends, like all of these verses
in the Messianic Age:

Ezekiel 34:23-24, Ezekiel 37:24-25, Jeremiah 23:5, Jeremiah 30:8-9, Jer
Isaiah 55:3, Isaiah 22:22, Isaiah 9:6-7, Revelation 5:5, etc.

Yeshua said that they'd 'mourn for the one they pierced' (Matthew 24:30)
in Zechariah 12:8 it is specifically speaking about King David, being like
the people, who shall be seen as a Elohim (Divine Being).

When understood that Yeshua was the reincarnated flesh of David, and li
'Lord' said it would 'Become', where the Creator placed its spirit within r

The Spirit of the Lord Rejected

It was prophesied that Yeshua Eloh would be rejected, and misunderstoo
none compliance to his sovereignty; yet we can see by the Sermon on the
Five Thousand, many of the Jewish people accepted him - it was the lead
rejected any prophetic authority sent from God.

Zechariah 10:3 My anger was kindled against the shepherds, and I will pu
Jehovah of Hosts has visited His flock the house of Judah, and has made

Zechariah 11:8 I also cut off three shepherds in one month; and my soul
and their soul also despised me.

Zechariah 11 continues the prophecy made in Babylon by Jeremiah 25, th

At the fulfilment of Zechariah 11, where the religious leaders paid 30 pie
(Zechariah 11:12-14), and by their arrogance to reject their Divinely app
themselves (Zechariah 11:10).

This rejection of their Divine Being placed the Curse of Moses on the pe
where at the 2nd temple destruction, the people eat each other's flesh (Z
28:53-55).

This wording used in Zechariah 11:10 of the religious leaders 'loathed' Y
used in Isaiah 53:

Isaiah 53:3 He is despised and rejected of men; a Man of sorrows, and a

It was always destined that in their rejection of the Messiah, it would ful
that the Lord could then fulfil a plan of testing who is worth keeping.

It's prophesied that many will overlook, and misunderstand the religious

The phraseology 'turn each to his own way', is repeated by the prophets
rewriting things to suit themselves, and within their tampering they've m

enough; and they are shepherds who cannot understand. They all look to

tomorrow shall be like today, and much more abundant.*

If we take a step back, and include who, and what is being rejected withi
prophecy:

In Exodus 14:13 we see the Salvation of God (Yeshua) separate the Red
promise in the Song of Moses (Exodus 15:2), that 'the Lord will become

This Song is continued in Psalms 118:14+21, that 'the Lord will become
become the Chief Corner Stone that the Builders reject' (Psalms 118:22)

When we take into account Moses knew that they'd reject the Spirit of Sa
(Deuteronomy 32:15-18), Moses prophesied that the Foolish Gentiles wou
even further.

*Deuteronomy 32:21 They have moved Me to jealousy with a no-god. They

anger with a foolish nation.*

People think Christians follow Christ within the Synoptic Gospels, where
the later Pharisaic concepts, of vicarious atonement, found in the Messiah's

Islam doesn't do much better at following the Messiah's teachings, as ma
follow only their own Islamic literature, and to only follow their messeng
instead of what the Quran relayed, of 'not picking, and choosing amongst

Within all this additional confusion, people don't get Yeshua wasn't clain

The Pharisaic authors who've created John, Paul, and Simon petros have

The Exegetical Messianic Plan

The problem with everyone's tampering with the religious texts, is that th

(Revelation 16:13-16).

The Messiah didn't come to save everyone according to the text, yet to c
what it should have been, and to see who has the light of God within the
tests being presented in the Gospels.

Because human nature wants someone to rescue us, and to follow, we've

Within all the bigoted miscomprehensions, it has also created a perfect p
between the misunderstandings (Isaiah 30:28), as to see who would acce
and who would serve that Divine Being - especially when only partial kno
which then shows some people are really faithful.

It's prophesied globally that after the Judgement Day Fire (where the rea

The whole point in the Biblical exam, is basically to test who listens whe

During the last few thousand years of Israel being cut off for murdering t

There were specific prophecies that have been obscured by language cha
when the Bible was translated into Koine Greek in the Septuagint, certai
stuck in a translation that isn't accurate.

In Jeremiah 5:26 it explains 'that there are wicked men among the people

The Messiah brings Justice to the Gentiles, and returns to rectify/judge

There is a huge potential through Messianic authority globally to correct
miscomprehensions, and 'to repair the Breach ready to fall on everyone'
