Summary: 2nd article on where it was prophesied that j+sus/j+ses, would

Within everything prophesied in the Bible, it was cryptically explained th

This is a second article explaining some of the more advanced cryptology within th
show how the symbolism is quite blatant.

Real Jews were meant to have noticed the Hebrew, yet because their reli

Yehoshua/Yeshua was specifically named as part of ongoing prophecy wit
Hosea had his name changed to Yehoshua by Moses; where by placing an
name, it makes it mean he 'shall bring salvation', where Yehoshua son of

Yehoshua son of Yehozadek led them back from the Babylonian Exile, and

The word Yeshua (H3444) means salvation, and it is seen that it separate
against Israel's enemies, and is the Arm of God interacting with reality.

Now in the religious leaders rejection & murder of their Messiah/King two

Then contextually we can understand that the Lord saying 'he will be like

We have to recognize within the religious leaders not contextually passin

Psalms 39:11 You correct a man for iniquity with rebukes, and you make

The symbolic naming of Yehoshua, is that YHVH means the 'Lord who mal

into j+sus/j+ses, it becomes some man idol, and doesn't identify that the

So it was the Jewish religious leaders who first made Christ into an idol,
