Genesis 1:29; after the fall into sin, we then started eating animals, at t

There is a word in the Bible Prytsim which means 'Ravenous Beings, Pred
Thieves/Robbers' - something that takes in an inhumane way.

Because of the way translation works, some of the connotations of what v
sadly overlooked, when he said to those in the 2nd temple, that "they'd t

of the temple, where it stank like rotten flesh.

There is a huge debate on if the Creator required sacrifice or if it was so

The Israelites were given Manna to eat, and yet they demanded meat to e

*Ezekiel 7:22 I will also turn My face from them, and they shall defile My

Within the religion that was originally followed by the Israelites, the Naz

The Nazarites were similar to many ancient religious cultures that refrai

It was prophesied how the religion would become corrupted, and though t
(Ebionites) were vegetarians like the Essenes; Pauline Christianity rewro

Because the Sanhedrin had ritualistic sacrificial ideas, that then became

with the Sanhedrin to create Christianity, they've created the Bed of Adu

*Isaiah 28:21 For Jehovah shall rise up as in Mount Perazim; He shall be

In Isaiah 34 it lists all the Ravenous Beings to be removed in the Judgme

After the Judgement Day Fire in Isaiah 34, the redeemed are those who a

*Isaiah 35:9 No lion will be there, nor will any ravenous animal go up on
there; but the redeemed will walk there.*

To expound on the terminology pryts within what is prophesied globally,
Heaven & Hell, where Heaven is full of those who are Unconditionally lov
those who are takers, with us being somewhere in-between the two.

By the very nature of being predatorish, someone who is a rapist, is a se

believe capitalism is acceptable, when it is exploitation of someone to g
demonic behaviour from the higher realms.

There are a whole host of things down here that are exploitive of the wea
to take advantage, like within gambling, sexual exploitations, slavery, us
manipulation, bullying, trolling etc.

Think one of the biggest pryts characteristics is that Satan means an 'ac
'slanderer', there is no horned monster opposing God, there is that many

The Bible has been as a Snare across time to see who'd subscribe in blo
(Maher-Shalal-Hash-Baz - H4122), and then to remove them all at Judgem
who'd want to live in harmony & help each other to get ahead, not try to

In Zoroastrianism, Dharmic, and Biblically the Adharmic/Blood Thirsty/Pr

spiritual path, in a reality manifest by God.

Zoroastrian texts relay that at the beginning of time God created our rea
light (Yin) and dark (Yang), yet due to the nature of the predators being
destroyed the more gentle, and so there is now a massive imbalance, wh

At Judgement Day in Zoroastrianism, which is called Frashokereti, God c
'all things new' again, where the balance will be restored to Eden, and th
removed.

Isaiah is a fascinating book, as it starts with a warning against how the
