Summary: Christ and his followers believed in reincarnation, until 533 A. that Paul established ended it.

Now many people within the Christian world do not believe in reincarnati been this way. Up until 553 A.D. it was believed that this is what happen that reincarnation was fact. Yet in 553 A.D. the Roman Church abolished believed in it. Now if Yeshua preached this, isn't it supposed to be his c differently by Paul, who established the church in Rome. So what is the preached?

This in some ways correct as when you die, you will be judged for the ac around the world many people have experiences of reincarnation, some p of past life's including Christians, I have met. There are children born w families, and past items that were theirs in a past life, knowing all detai things that only they would have known, if they were, the reincarnation o Buddha's are rigorously tested to check, that they are the reincarnation will have to point out, from hundreds of items and identify what was thei as the same spirit.
Now as a follower of Yeshua is this correct, you may ask? Well what did
Quote:

Mat 11:13-14 for all the Prophets and the Law prophesied until John. (1 this is Elijah who is to come.

Mat 17:10-13 and His disciples asked Him, saying, why then do the scrib come first? (11) And answering Yeshua said to them, Elijah truly shall things. (12) But I say to you that Elijah has come already, and they did to him whatever they desired. Likewise also the Son of Man shall suffer disciples understood that He spoke to them about John the Baptist.

Mar 9:12-13 and he answered and told them, Elijah truly does come first how has it been written of the Son of Man that He should suffer many thi But I say to you that Elijah has indeed come, and they have done to him is written of him.

This is very clear that Yeshua said that reincarnation can happen, as Eli

many years. So to say that John was Elijah must mean that reincarnation from the beginning of John's life, so if Yeshua said he was Elijah then th Not that they are the same person in mind exactly as they lead different within the western world get it a bit muddled up, as you see we are taugh from a young age. What occurs is the spirit is not the body; the spirit is makes someone who they will be. Even if you try and teach someone som will accept, is what they will take in. all that is learnt in the spirit is inf are learned in the mind can be lost, as this is just part of flesh. Now wha you die is who your spirit is, Ego within the spirit is what causes separa

Mar 8:27-30 And Yeshua and His disciples went out into the towns of Cae way He asked His disciples, saying to them, who do men say that I am? John the Baptist. But others say Elijah, and others say one of the prophe them, but who do you say that I am? And Peter answered and said to Him And He charged them that they should tell no one of Him.

This shows that as well as what Yeshua said, at that time people must ha can be reborn in another body. Else why would the people believe that Y partially believe in reincarnation, as in Jerusalem they are waiting for E things, so that they may begin to build the temple.
Quote:

Mal 4:5-6 Behold, I am sending you Elijah the prophet before the coming day of Jehovah. (6) And he shall turn the heart of the fathers to the so to their fathers, that I not come and strike the earth with utter destructio

Now within all I am saying, Elijah may still come again and may be alrea infinite and the prophecy concerning Elijah has still to be fully finished. Now an angel from God appeared to Zacharias, the father of John the Ba
Quote:

Luk 1:17 And he shall go before Him in the spirit and power of Elijah, to to the children, and the disobedient to the wisdom of the just, to make re the Lord.

So later when the priests came and asked John is he Elijah, either John had been told by God's angel, which would be seriously doubtful. As you father would be, to tell his son something like this.
Quote:

Joh 1:21 and they asked him, what then? Are you Elijah? And he says, I prophet? And he answered, no.

Else again as in other parts in the book of John this is made up, to cove both John the Baptist and Yeshua. Also even if he was Elijah in spirit, in he led his own life. Elijah lived in a different time period and experience was the same. Even if he did say these things, it wouldn't matter as we a an angel, that he did have the spirit of Elijah. He also dressed the same

Quote:

Mat 3:4 and the same John had his clothing of camel's hair and a leather
his food was locusts and wild honey.

2Ki 1:8 and they answered him; He was a hairy man and was bound with a
his loins. And he said, He is Elijah the Tishbite.

So with in all of this you can see, what has been taught by Paul and his
Yeshua originally taught. As it is quite clear from the evidence that reinc
the church is the mother of all harlots, as in revelations. The daughter's
