Summary: The written word of God is the Commandments, Paul, John and break everyone of these in some way.

In all of the articles it is towards one main point, many believe that the of God. Yet from a lot of these articles you will see, in some cases it is they believed God said, or in others their ideas.

Now we know that according to Moses, God with his own hand came to Mo Ten Commandments out, into the mountain side. Now from what the Phari Simon Peter) have taught, they have caused people to break everyone of God wrote, and instead to follow their ideologies. Not as many now belie said that we should follow the commandments and anyone who takes from kingdom of heaven.

Now where and why is this, lets go over each commandment and you will

1) You shall have no other gods besides me.

Paul said that Yeshua was God, and John said that Yeshua said he was t

2) You shall not make a graven image for you, any likeness of anything t or in the earth beneath, or in the waters beneath the earth. You shall no nor serve them. For I Jehovah your God am a jealous God, visiting the in the sons to the third and fourth generation of those who hate Me,

From what has been taught by them, Yeshua and the cross with him on, h symbol for God. From their doctrine they have made it that people worsh which he him self never asked. According to the commandments, this isn should be worshiped and no image can be given to God, Paul tells us tha God.

3) You shall not take the name of Jehovah your God in vain, for Jehovah takes His name in vain.

The real point to this is that God is all names, and any name given is me country God has a different name. So defining God as a man brings God people now use God as a swear word; as the fear has gone. For the Jewi not be spoken as it is too holy, where as Christians use it as a pass time name to Jesus; this does not mean the same and is actually an insult if t Hebrew. The meaning of Yeshua is salvation the meaning of Jesus is a p either side of them.

4) Keep the Sabbath day to sanctify it, as Jehovah your God has commanded.

Due to Paul and Simon setting up the church in Rome and then their church mythology time schedule, most have Sunday as their Sabbath, when in fact the Sabbath is Saturday. This changes the commandment and makes it that God's holy day is no longer Saturday. The correct Saturday would be holy and Sunday would be a family day.

5) Honor your father and your mother, as Jehovah your God has commanded. This commandment may be made longer, and that it may go well with you in the land which Jehovah your God is giving you.

Yeshua said you should call no one your father on earth, as you have one Father, who is in heaven. This makes up that Yeshua said he was the father, and Paul said he was God, the father. Also what many people fail to realize, is that if we have one Father, we have one mother, i.e. mother earth. Due to the fact both Paul and John, say we are not of the Father, but of the care of the mother which we need to, to survive as we feed from off her, we are of the mother. By stating Christ was a sacrifice or an offering, also defiles the Father. This allows him to do no more for his mother or father (Mark 7:11-13).

6) You shall not kill. (Murder)

Now according to John, Paul and Peter, Christ was sent as a sacrifice. To set out to murder someone, which is not possible as God is good and cannot be the author of evil commandments. Also many, who believe that Yeshua is a sacrifice, agree with this by being guilty of the sacrifice, as stated by Yeshua (Mat 23:18).

7) You shall not commit adultery

Another act of adultery in much of the Bible is to give your heart to someone other than God, also referred to as harlotry or prostitution, as the first commandment is to love God with all your body and soul. What the Pharisees have taught makes many believe Christ is the one to love, therefore causing them to give their hearts to Yeshua and not God alone.

8) You shall not steal.

Yeshua taught the parable of the vine-dressers and the vinedresser's son. God sent his son to fetch in the harvest; they then killed the son to steal the inheritance. That through Christ's death, we have an inheritance. So fulfilling the parable by believing they have an inheritance, due to Christ's death, also are blameworthy. What Yeshua said. As to receive an inheritance according to Yeshua, you must keep his commandments and give up your wealth.

9) You shall not bear false witness against your neighbor. (Or do not lie)

The gospel of John is mainly made up and is hearsay, of what people believe Yeshua taught as the truth, so bearing false witness against Yeshua. John's gospel is not the same as the other gospels of the actual disciples. What Paul taught is being his own gospel, yet in actual fact Paul contradicts Yeshua, on well over 36 main points of false witness.

10) You shall not desire after your neighbor's wife, nor shall you desire his field, or his manservant, or his maidservant, his ox, or his ass, or any thing that is his.

I have heard many people, from what Paul taught, saying they desire to have more. People quote from John, that Christ came to make it we have life more abundantly. They say we can have more wealth and possessions, which makes for more desires. Yet Christ's teaching is to give up wealth and not to worry about the riches of this earth.

As you can see, almost every commandment, which is the literal written word, has been broken. Why Christ said he came to bring division, and strictly warned against the Pharisees. Yet what has occurred is that this doctrine, over shadows what Christ taught, and many people preach the Pharisee doctrine, rather than Christ's.
