Summary: What the Parable of the talents means when in Heaven, and wh
this.

Many of Christ's parables have been muddled up and the true meaning ha
lot of these are to do with money, as the church is more money orientate
talking about in all parables is God. When he used references to money h
in skills. I find it funny with this parable, how the words talents, the Bib

which he has shall be taken away from him. (30) And throw the unprofit

So what does this really mean, well if Christ was always talking about Go

These are the riches, you can take to heaven!

You see when and if you get to heaven, the talents you have learned and
acquired make you shine in heaven. Other angels wish to meet you and fi

Sorry if this is telling you off, yet if you say you are a follower of Christ
you must do.
There are more people I have seen during my life, who I recognize from h

Life is to learn skills and help towards oneness, not to spend your time b
