Small rewards are offered those who sacrifice and teach.
Wisdom has no value now and virtue's out of reach.
Social values grant us great rewards for games we play.
The sons of man divided into predators and pray.

When will we realize that virtue is it's own reward?
That love and light and truth and peace denied we can't afford.
To move ahead we must deny the "I", that separates,
and live one life, one truth, one dream, one stand at Heavens Gates.
