Keywords: Poetry, Peace

Some of us shine  
Some of us whine  
Some feel the need to divide yours and mine  
Some wait their turn  
Some lessons, some learn  
Some fires we feed as we fight will still burn

Some always play fair  
Some don't and don't care  
Some trials we face may seem too much to bare  
Some carry the load  
Some want to explode  
Some wrongs that are done will come back down the road

Some think and some do  
Some don't have a clue  
Some seek to shed light on what's false and what's true  
Some end what they start  
Some follow their heart  
Some who take for themselves make deception an art

Some take word from the wise  
Some believe their own lies  
Some only stand tall cutting us down to size  
Some decisions we've made,  
sometimes cut like a blade  
Somehow fixing a price that must later be paid

Some paths lead us off course  
All Souls stem from One Source  
and connect in a magic, invisible force

When we conquer our fear,  
and the truth becomes clear,  
we will make Peace a noise  
Every Heart,  
Every Soul,  
In The World Will Hear!
