And don't get it wrong, Like golem? In search for the ring. You can have
and a, Oz rhyme, It's really sublime, Every time. Now this isn't some dru
secret in the heart. That all you have to do is start. So open the door, O
what is heard, Isn't said in fear, And dread! Then we may hear your call,
tall.

Spiritual or enlightening poems,
One for free,
to write them here...
Is so easy!
With print and save,
It's not in a cave!
Always free,
As it's charity!
If its good,
As should,
People would?
If you could?
For all to see?
Hear your plea?
Submit instead,
Login and add your dread...
Yet only spiritual life,
Please don't just moan;
About all the strife!
We all see, feel, for real!
So write of love,
Not with a glove,
Things that inspire,
Then we can go higher!
Spiritual poems are what we need!
Give them away to stop the greed,
If we want something good i plead!
For where does it come from,
Yet God indeed,
So don't be deceived.
Pay heed to these words,

Don't think them absurd,
For this is the way,
That every prophet did say.
