Yes I can help you, here are some of the scriptures:

Quote:

Dan 7:25 And he shall speak words against the Most High, and shall wear out the Most High, and plot to change times and laws. And they shall be given into his hand, and he shall oppress them for time, times, and one-half time.

The time have been changed by the Romans, we are under the metal beast. As the Roman Empire was known as the metal Empire as all you would see the Romans.

The Romans had 12 months, this we also now have, in fact there is 13 months.

$28 \text{ divided by } 365 = 13$

So we should have 13 months clearly as this is evident from the fact we have a 28 day cycle and 28 days in a menstrual cycle.

Also God in Genesis made the days and the nights so making time, so he has 12 months.

The part with the actual day bit is a bit clearer in the languages, as in Semitic (closer) Saturday is Sabbado, Shabbat in Hebrew or something like that in Latin.

Quote:

Deu 5:12-15 Keep the Sabbath day to sanctify it, as Jehovah your God has commanded. Six days you shall labour and do all your work. (14) But the seventh day is the Sabbath of Jehovah your God. In it you shall not do any work, you, nor your son, nor your manservant, nor your maidservant, nor your ox, nor your ass, nor any of your beasts, nor any of your stranger inside your gates, so that your manservant and your maidservant may rest as you rest. (15) And remember that you were a slave in the land of Egypt, and Jehovah brought you out from there with a mighty hand and with a stretched-out arm. Therefore Jehovah your God commanded you to keep the Sabbath day.

Also the fact it was a special day, as God fed the people on that day it is significant (read the story of Moses travels with the people through the wilderness).

What happened you ask the Romans changed it they used Christ as a Drama. They wanted and rearranged the Bible to what they saw as right.

This is one reason Christianity clearly incorporates a lot of old pagan beliefs.

the original system of belief.

Whose fault is this, I personally would blame Paul as you don't collect G
tree and this is what he did.

On the fact he contradicts Christ so much as well I would say from all I h
the son of perdition.

Please tell me if I have missed anything as I have skated over this lightl

Allot is in articles already explained on this subject and I will continue t
for people.

P.S If you worship everyday, you can't go wrong then can you!
