Yes Wiz. Even after accepting that intelligent alien life exists... even if religion... you must always answer for creation and existence... and then that of God. One must accept the creator to achieve oneness and peace. creator to get away from despression and confusion. The creator is real. worlds. :) It's a beautiful place out there in those heavens. I just have to night for about 5 minutes, sometimes more... and sometimes even more. many more Bible verses that I am aware of. I am only asking for everyone have participation as one, and not just one guy tellign everyone "look, th need to look at it and realize it on our own. If God means nothing to you starter of all things... whether you call it the big bang or the old man. Th form... and it is all around us. The creator is existence... hence God is c being the creator... also makes him the creation.
