Here is a quote from a book that I am reading. It's called Original Christ the writings of St. Thomas. Thomas was one of the original followers of Jesus. His writings were changed by anyone.

Keep in mind back in those times teacher taught by word of mouth. Nothing written.

Jesu said " Whatever you hear in your ear, preach from the rooftops into the streets. Do not light a lamp and put it under a basket, nor does he put it in a hidden place. Put it on a lampstand so that all who enter and leave can see the light."

Think, ponder, listen and act. God Bless.
