This might sound the maddest thing concidering i set the site up yet i ha

yet i do have true faith

i have studied most religions since being a kid for god

yet i stick to what is simple

That is why i have stuck the bits i have found

christ came to free us from religion and put us back to love

yet saul made a mess of it even though he did good works he caused muc

so if you have any questions on beliefs ask

yet faith is from the heart it is again saul who turned it into a law

As there being one true rligion there isnt they all contain wisdom
