I have no PHD's at the moment... I'd love to take it deeper. It's going to
my part, and a bit of thinking alternated by some quickly splashed down
a good result(s). Sure Suzy... I'll get back to you on this... I procrastina
to "Nike up" and "Just do it". Many times I'd rather just come home from
to some peace and quiet... and some rest for poor old mr brain. So bare
can, just don't expect results anytime too soon.

Yours always,
In the name of Love and Peace for the sake of truth.(that would work eith
meant to say both... but didn't catch it all at the time... so here :P)
In the name of truth for the sake of peace and love.
