I am not the authority for which you seek. I have not come to answer or fix the wrongs of men/women to undo. Yet, I wish to share bits and pieces of information.

Please...allow me such grace.

O Goddess, who removest the suffering of thy supplicants, be gracious!

Be gracious, O Mother of the whole world!

Be gracious, O Queen of the universe; safe guard the universe!

Thou, O Goddess, art Queen of all that is movable and immovable!

Thou alone hast become the support of the world,
Because thou dost subsist in the form of the earth!

Be thee, who existest in the form of water, all
This universe is filled, O thou inviolable in thy valor!

Thou art Vishnu's energy, boundless in thy valor;
Thou art the Germ of the universe, thou art Illusion sublime!

All this world has been bewitched, O Goddess;
Thou indeed when attained art the cause of the final emancipation from bondage.

O Goddess, be gracious!

Protect us wholly from fear of our foes
Perpetually, as thou hast at this very time saved us promptly by the slaying of the demons.

And bring thou quickly to rest the sins of all the worlds
And the great calamities which have sprung
from the maturing of portents!

To us who are prostrate be thou gracious,
O Goddess, who takest away affliction from the universe!

O thou worthy of praise from the dwellers in
the three worlds,
Bestow thou boons on the worlds!

Hinduism, Markandeya Purana

Candi Mahatmya 10: Worship of the Mother Goddess or feminine principle in contemporary Hinduism. She is identified with the earth - Atharva Veda 10.1.1-10.1.10. She is also identified with prakriti/matter, and maya/illusion-cf. Shiva Purana, p. 118. Often she is known in another aspect as a dread warrior and destroyer of evil. The Goddess is known by the name KALI SHAKTI DEVI; in this text she is called by the name CANDIKA.
