Thanks for showing the steps to Heaven, didn't Christ say when the son of man came to explain this for everyone?

Still feel you could go over this more though!

Not going into the dynamics of each as you have with some people, yet even children can understand.

As to make a clear path to enlightenment, remember Zanda, this has taken time to compile and to briefly skate over it won't do!

You know what is contained in what you are saying and the amount of words like wise!

Thanks for bridging the gap!
